Severe Headaches Pimples on Face

Miss Marie L. C. Blackwell, Gumm, Alta., writes: "For two years I suffered from severe headaches, and pimples on my face. My headaches seemed incurable, and I thought the pimples would never disappear. A friend recommended Burdock Blood Bitters, and on trying a bottle I found the headaches disappear, and I am not bothered any more with the pimples."

WELCOME BRITISH VISITORS

The Daily News extends a hearty welcome to the British visitors who are expected to arrive here tomorrow and who will spend a full day in the city leaving on Saturday's eastbound train. While many parties have visited Prince Rupert at various times without any special notice, this particular group is the pioneer of what is hoped will prove to be an annual event.

British people have not taken advantage of the opportunities to holiday in Canada to anything like the extent they might have done. This country has been looked upon as too far away to interest the home folk. Instead of coming here they have gone to Switzerland and other European countries with the result that many British Columbians have wondered if they really cared about their kith and kin on the Pacific Coast.

We suggest to local people that they shall put themselves out to meet the visitors tomorrow and to do what they can to make them feel that they are welcome.

KEEPING IN TOUCH

Yesterday a representative of the Daily News returned from a tour of the interior, going as far east as Prince George and stopping off at all the larger places. As a result Prince Rupert people are assured of being able to get in touch with the people all through the country, old subscribers having been renewed and new ones added at all points. Considering the rather strenuous times, we are well satisfied with the support we have received and hope it will redound to the benefit of our readers and to the commercial interests of the whole district.

The Daily News is the chief tie that binds the interior country with Prince Rupert. Once the highway is completed and farmers and businessmen of the Bulkley and Nechaco Valleys are able to drive their own cars to this city, the commercial contact will be much closer. No matter what government is in power at Victoria or Ottawa this paper will continue to demand completion of the highway to connect with the interior and as a temporary expedient a low rate for cars on the trains to Terrace or some other suitable point.

TRACK MEET TOMORROW

Will Be One of Features of Dominion Day Celebration

Not the least of the attractions of the Dominion Day celebration tomorrow will be the senior track and field sports in charge of the Spartan Athletic Club. These are scheduled for the afternoon, immediately after the lacrosse game. The boys are especially interested in this, their first meet of the season, owing to the fact that the marks attained in the various events will serve as some indication of the ability of several of the members to equal the marks necessary to qualify for participation in the Junior Olympic meet which is to be held at the Vancouver Exhibition August. These marks will be published in the press very soon and the boys are waiting eagerly to compare them with their own.

Tomorrow's program will consist of the following events (all open), to be run in the order named:
100 yard dash.
Broad jump.
220 yard dash.
Pole vault.
880 yards run.
880 relay (4 laps of 220 yards).

No word has been received from Port Simpson in reply to an invitation to compete in the relay, so the following two teams have been chosen from the Spartan Athletic Club:

A. Walters, B. Vance, C. Bartlett and H. Suehiro.
P. Edcumbe, C. Smith, P. Vacher and L. Wilson.
Should the Simpson boys show up, however, the Spartan team will be Walters, Vance, Edcumbe and Smith, running in the order named.

J. Bulger has generously donated a trophy for this event so a splendid race can be expected.

The starting of the races will be in the capable hands of Staff-Sergeant McNeill, while the timing will be carried out by Alderman Rudderham, J. Campbell and J. W. Plommer.
