ANNOUNCING-

a new low price on Tip Top Clothes

For twenty-one years the welfare of Tip Top Tailors has been closely interwoven with the condition of Canadian men.

As you have prospered and your numbers have increased, we have been able to build up a great tailoring organization on the policy of giving finer tailored to measure clothes for \$27 than you could buy anywhere

Due to present economic conditions we believe that great numbers of men are now finding it difficult to pay even this price of \$27. Yet they need more than ever the good appearance and long wear of Tip Top Clothes.

Millions of Canadian men have helped us build up Tip Top Tailors. Now, when you need it, we show our appreciation of your help in a practical way and ask your support in return. Effective May 12th the price of Tip Top Clothes is reduced to \$24.50 for any suit, topcoat or overcoat, tailored to your measure.

There will be absolutely no lowering in quality in any way. The same fine fabrics, the same skilful tailoring. The same smartness and style will be maintained without exception.

We depend on Canadian men to extend us the increased volume of business that will be needed to continue this price. You will benefit as well as us. For Tip Top Clothes at the new price will be a still better buy than they have been before.

See the wonderful range of Tip Top samples at your dealer's. You couldn't go wrong in buying Tip Top Clothes before-your money spent with your Tip Top dealer will buy still more now. But act today.
