After the switchover in the second half, Home Oil kept the play pretty well confined to its end of the field but was unable to successfully penetrate the sturdy Merchant defences. The teams were as follows:

Frizzell took the kick and placed it across the goal mouth to the right wing, Amor councing upon it to score again.

Just before the end of the period, wo long shots by Sonny Dickens were saved with difficulty by Smith. Throughout the first half, the Merchants pressed continuously, only allowing two goal kicks at the other end of the field. Home Oil was seldom able to get the pigskin past the half way line.

The Second Half

Five minutes after the start of the second half, Douglas fouled Webster in the penalty area. Webster took the penalty kick for Home Oil but missed by inches. Towards the end of the game in a vain effort to score, Webster was moved to centre 80 forward position but, although Home Oil continued to do most of 40c the pressing owing to having the wind and hill in their favor, holding the Merchants except for occasional 14C break-aways, the Oil Men were unable to get through.
