The secretary, T. W. Murphy, gave an account of a recent trip to Stewart, stating that he had enrolled 107 members in a branch of the National Unemployed Workers' Association there.

A vote of thanks was accorded to Ald. Casey for his attendance and also to the Canadian Labor Defence League for use of the hall before the meeting closed with the singing of "The Red Flag."

Telephones and Lights Will Be Cut in Holidays

At the suggestion of Secretary J. O. Williamson , the school board decided last night to have the lights and telephones m city schools cut off during the forthcoming summer vacation period. It is estimated that some \$150 may be saved by taking this action. The cutting out of the utilities will be subject to approval of the fire chief. There was some discussion among members of the board as to the actual savings that would be effected by cutting out the services.
