Very little public support was given to a fine card of basketball games staged in the Auditorium, last night.

and aggressive as the 25-21 victory for High School over Merchants easily indicates.

The girls' game was good but the Cardinals got going and took the Comets into camp 26-6.

The senior game was fast and the pick of the evening, the Panthers being on the lucky end of a 27-17 score over the 32 Taxi.

NEW YORK, Jan. 6-Having but one more challenger of his featherweight title to dispose of here Friday night, Bat Battalino, world's featherweight champ, is now casting his eyes upon Tony Canzoneri's lightweight crown.

It has been ruled that Battalino must vacate the feather title before he can take on Canzoneri for

Intermediate Game Fighting spirit was the keynote of this game. Right from the start the Merchants pressed the students. Hard playing, without skill in shooting, is to no avail in a basketball game for, in the first few minutes the Merchants hit everything but the basket. The Students were ragged and did not play good basketball in the first half. Walters was not letting his team down so easy though and went through with a few solo plays to keep his side even with Merchants. On the other hand, Dingwell began to sink a few of his shots and so the first half ended with close play as 11-9

and Take Second Place Alone in American Division

BOSTON, Jan. 6:- By playing a three-all overtime tie with Toronto Maple Leafs last night, Boston Bruins moved into exclusive possession of second place in the American Division of the National Hockey League, advancing ahead of the Chicago Black Hawks with whom they had been tied. The Black Hawks and Detroit Falcons were idle last night.

Montreal Canadiens were defeated 2 to 1 by the New York Americans at Montreal, the Americans cutting the margin between themselves and the Canadiens for second place in the international division to one point.

New York Rangers continued their winning stride by taking the measure of the luckless Montreal Maroons at New York two to one.
