PAYING TAXES

A number of people have already paid their taxes, induced to do so by the offer of the city to pay six percent interest on all advance payments. While the amount is not large it is worth considering these days. It is twice the bank rate and the payment will enable the city to carry on until the bulk of the taxes are paid on August 1.

ONLY POSSIBLE COURSE

Everyone knows that both political parties accept large sums of money from big corporations or rich individuals and doubtless the persons who donate in many cases expect to get something in return. They do not say so but they believe that the donating to party funds will give them more favorable consideration when they approach the government later. In England we have read that titles have been granted following the receipt of such big donations. That was one reason for banning titles from Canada.

Political parties always need money with which to fight political battles. Halls have to be hired, travelling expenses paid for speakers and organizers, and advertising costs money. The result is that party managers are always on the lookout for contributions which will help them place their cause before the people in an efficient and forceful manner.

The promoters of the huge Beauharnois power concern seem to have gone beyond the bounds of decency in their donations to party funds. Senator McDougald was the sacrificial goat in connection with these funds and he has resigned from the Upper Chamber, the only possible course under the circumstances.

It is well known that one party had just as much money to spend as the other during the last election but only one was found out. Happily for the Conservatives they had a millionaire leader with a millionaire party organizer, both of whom are reported to have contributed heavily to party funds.

LEARNING TO SWIM

The swimming season is approaching and those young people who have not already learned to swim should take the opportunity which offers here. There is a good place at the Salt Lake across the harbor or at the swimming pool just across the Westview bridge. A few learn in the cold sea water at one of the beaches. The first thing to do is to get used to the water and then the strokes are easy. Most people drown because they try to climb out of the water and find that they cannot do so.

LEARNING ABOUT HOME

Some years ago the Daily News suggested that no teacher was really qualified to teach in Prince Rupert until he or she knew something of the natural history of Kaien Island. We still are of opinion that any person who does not know something about his home surroundings is not educated. He is lacking in one of the essentials. He should know at least what trees and plants and flowers grow on Kaien Island, what animals and birds may be found there and also something about the insect and marine life. A little of the history of the place might also be included and an ethnological study of the natives who were here before the city was founded.

Bad Constipation And Sick Headaches Ended By Vegetable Pills

Formerly a wreck from Constipation, Sick Headaches and Indigestion, Mr. V. H. writes: "It was a red-letter day for me when a friend recommended Carter's Little Liver Pills. Results have been marvellous. Because they are PURELY VEGETABLE, a gentle, effective tonic to both liver and bowels, Dr. Carter's Little Liver Pills are without equal for correcting Acidity, Biliousness, Poor Complexion and Indigestion. 25c. & 75c. red pkgs. Ask for Carter's by NAME.

Girls' Softball At High School

In the opening inning of the High School girls' game yesterday afternoon, the Wild Cats scored one run. They prevented the Invincibles from scoring at all in that inning. Weak fielding on the part of the Invincibles allowed the Wild Cats seven runs in the third inning. In this inning the Invincibles made their only run. Hard work gave the victors three more runs in the fourth inning. The Invincibles did their best to score, but strong combination on the opposing team stopped them. The score at the end of the game was 12-1.

Wild Cats—Marg. Fritz (captain), Molly Ellison, Adelia Thurber, Eva Morris, Noriko Yamanaka, Isobel Burrell, Bee Burner, Betty Inglis, Elizabeth Sturgeon, Gudrun Welle. Invincibles—Lucille Brooksbank (captain), Lillian Jones, Jean Stamp-Vincent, Kay Kleback, Margaret Mussallem, Jean Ritchie, Frances Thompson, Beverly Jack, Lillian Vaecher, Enyd Morris. Umpire—Miss M. Delaney. Reporter—Enyd Morris.

SOFTBALL IS PLAYED

Seal Cove Sailors Defeat East End Giants in Heavy Hitting Match

Last night, despite inclement weather, another game was played between the Seal Cove Sailors and the East End Giants in the East End Softball League, the Sailors winning. The Giants, first to bat, hit heavily, scoring six runs in the first inning and one in the second. At first it looked bad for the Sailors, bringing in no runs until the fourth when they scored seven. In the sixth inning the Giants brought in another six runs. Then in the seventh the Sailors, through errors of the other side, and good hitting, bagged 12 runs. In the eighth inning the Giants bagged three and the Sailors four. In the ninth the Giants went down three in a row, ending the game.

The Sailors showed good all-round playing, P. Ferguson pitched a good game while Birrell, for the Giants, was tossing them all over the lot. F. Gomez of the Sailors played a fine outfield game, catching all that came his way. Scoring was as follows: Giants—H. Bunn c. (1); T. Birrell p. (1); G. McKinley lb. (3); A. Leeper 2b. (2); Geo. Casey 3b. (2); D. Gomez lf. (2); T. Bjurenson cf. (2); M. McKenzie rf. (1); D. Stalker ss. (2).

Seal Cove Sailors—J. Woodhouse c. (3); P. Ferguson p. (3); W. McLean lb. (2); L. Murdock 2b. (3); B. McLean 3b. (3); G. Sathers ss. (4); F. Gomez lf. (1); J. McFee cf. (3); H. Ferguson rf. (1). Umpires—G. Williscroft and Felix Batt. Scorekeeper and reporter, H. Worsfold.

NO DRASTIC ACTION BY RATEPAYERS

(Continued from page one)

cil were not so anxious about the taxes as about maintaining organizations intact such as the police and fire departments.

Mr. Nickerson, while deploring the conditions, did not feel that the meeting could pass drastic resolutions in view of the paucity of the attendance.

Mr. Hart thought it was a shame that there was no bigger meeting.

Mr. Wesch said the people did not yet realize the seriousness of the situation.

H. Smith inquired what was to be done if a person could not pay his taxes.

Mr. Wesch quoted the mayor as saying that in such a case he would be sued by the city.

Mr. Arnold suggested that probably a few of them who had been busy would be picked out. He did not think they would sue the ordinary man.

Work Appreciated

Mr. Stephens felt that the work of the committee had been appreciated. What had happened showed the necessity for a strong ratepayers' association. The seriousness of the situation deserved a better meeting. If an association such as that had functioned from the beginning, the city would today have been in a better financial position. One thing that surprised the committee was the members of the council objecting to relinquishing their indemnities. At their meeting with the council this had been the only suggestion which had been objected to.

Mr. Arnold suggested that the city was already in the hands of a receiver, the bank being the receiver, dictating the policy of the city. They might as well have a public receiver.

Alderman Casey did not agree with the previous speaker. He saw a great difference between owing the bank and having a public receiver. They were a whole year's taxes behind and he considered that all should strain a point to pay taxes. They would soon have an opportunity to elect a council that would really look after the affairs of the city. He thought it would be better to try to bring transportation and shipping facilities for the port than to refuse to pay taxes.

Damp salt rubbed on the hands and feet will prevent chilblains.

News of The Sport World

Regiment Demonstrates Its Superiority and Wins Over Merchants in Soccer Opener

Regiment exhibited marked superiority over Merchants last night in winning the opening game of the senior football season by a score of one to nil. The match was the opener of the Mobley Cup, or city league championship, series and was played in a light rain and heavy breeze which marred play to a large extent. Mayor C. H. Orme kicked the opening ball and, taking into consideration the state of the weather, the attendance was quite fair.

Regiment played downhill in the first half with the wind in its favor and kept the game almost entirely in its own end of the field. The first and only score of the game was made by Mark Watson out of a scrimmage almost in the goal mouth.

Even after the change-over in the second half, the Regiment had the big majority of play. The Regiment also missed a number of scoring chances and the Merchants were lucky that no more than the one goal was recorded against them.

The Merchants suffered a severe loss in the first half when Sid Dickens suffered broken tendons of the knee in a collision. It was reported this morning that the injury

would probably keep him out of the game for several weeks.

The young players on either side showed the effects of lack of practice and understanding. As the season advances, they will, undoubtedly, show improved form.

J. A. Johnstone gave satisfaction as referee. The teams were as follows:

Regiment—goal, T. Smith; backs, B. Hunt and B. Thurber; half-backs, P. Edgecumbe, M. Watson (captain) and O. Wingham; forwards, W. Vance, J. Redpath, P. DeJong, M. Colussi and T. Kelsey.

Merchants—goal, V. Menzies; backs, Douglas and A. Hardy; half-backs, P. Vaecher, A. Dickens (captain) and S. Dickens; forwards, L. Amor, H. Dickens, J. McKay, Gilker and Bacon.

CARDINALS DROP BACK

Last Game to Giants—Braves and Cubs Beaten in National League Yesterday—Athletics Win

ST. LOUIS, May 6.—The winning streak of the St. Louis Cardinals was halted yesterday by a defeat at the hands of the cellar-dwelling New York Giants here, the Cards, as a result, falling back into fifth place behind the Cincinnati Reds who were victorious over the league-leading Boston Braves. The Braves retained first place in view of the defeat of the Chicago Cubs at the hands of the Brooklyn Dodgers in a close game.

In the American League, Philadelphia Athletics continued their upward swing by defeating Cleveland Indians in a slugging match. St. Louis Browns defeated Boston Red Sox in the only other game played in this league yesterday.

American League St. Louis 11, Boston 3, Cleveland 3, Philadelphia 15, National League Boston 6, Cincinnati 9, Brooklyn 2, Chicago 1, New York 10, St. Louis 6.

SPORT NOTES

Weather permitting, the official opening will take place tomorrow afternoon of the Prince Rupert Tennis Club's fine new courts on the Acropolis Hill which have been under construction during the past few weeks. Following the gales of last winter which almost completely wrecked the courts, members of the club, together with some friends, set willingly to work and their accomplishment in reconstructing the premises is worthy of congratulation. All the work was done by the men, the lady members looking after the financing of the building of the new clubhouse. Now the courts are in better shape than they ever were before. The public generally is invited to the re-opening ceremonies tomorrow afternoon. All persons coming properly equipped will be given the opportunity to play briefly on the courts. Mayor Cyril H. Orme will speak briefly at the opening ceremonies.

Smithers golfers are anticipating a very busy season this year. Interest in the newly introduced pastime there has been well sustained and several new members have been added to the roster of the Smithers Golf Club. A number of improvements have been made to the course just west of the town and more are contemplated. A series of handicap tournaments are to be held this year with the first on May 15. Following are the officers of the Smithers Golf Club this year: President, Charles Reid. Vice-president, Dr. R. C. Bamford. Secretary, A. R. Sinclair. Directors—Mrs. K. G. Houghton, Mrs. H. V. Boswell, Charles Reid, R. C. Davidson and L. H. Kenney. Groundsman—R. C. Davidson. Captains—Mrs. P. G. Russell and K. G. Houghton.

The Curling Club at McBride in the interior intends to do everything possible to get the rink finished in A-1 shape this summer before another season for this sport rolls around. The club, at its recently held annual meeting, elected officers for the ensuing year as follows: President, Mr. McIvor; vice-president, F. Waller; secretary, A. A. Stewart; executive—W. A. J. Payne, D. Beamer and T. Edmunds.

Girl basketball players of the two small interior communities of Loos and Horseshoe have decided to band together and form a club of their own. Miss Eleanor Lebow has been elected captain and George Smith coach and manager of the team. The name of the team has not been decided upon but this will be settled at another meeting of the girls which will be held soon. Meantime there is much enthusiasm.

Another year of Davis Cup tennis has arrived and with it the annual question: Who will knock the

SHARKS FINS AND HIDES ARE USEFUL

(Continued from page one)

The quality and value of all shark products depends greatly on the proper skinning of the shark and the curing and preparation of the hides and bi-products. An average-sized shark will yield about 2 1/2 pounds of dried fins, three gallons of shark liver oil and 150 sound teeth of large size. There are seven rows of teeth in a shark's jaw which has about 300 teeth.

Detailed instructions as to the skinning, fleshing, curing, and packing of hides and fins are given together with a schedule of market prices.
