REBL RIT!

TODAY's the day of outdoor life! Men and women retain their youth - the's joy in a healthful, vigorous body. A daily enemy of health is

constipation. Intestinal sluggishness often leads to headaches, backaches, lack of pep, premature aging, loss of good looks. It is unwise to fight constipa-

tion with habit-forming pills and

drugs. They often do more harm than good. The wise and healthful way is to correct the diet. Your system needs "bulk" and Vitamin B in generous quantities to keep it

healthfully regular. Kellogg's ALL-BRAN, a delicious ready-to-eat cereal, gives you both of these things. It furnishes "bulk," which gently exercises the intestines. And Vitamin B, which tones them up.

In addition, Kellogg's ALL-BRAN

contains iron, which helps build rich, red blood!

Start now to eat Kellogg's ALL-BRAN regularly - either as a cereal or in cooked foods. Two tablespoonfuls daily are usually sufficient to prevent and to relieve most cases of constipation. (See your doctor, however, if you suffer from intestinal trouble not relieved this way.)

Be sure you get Kellogg's ALL-BRAN. In the red-and-green package. Made by Kellogg in London, Ont.
