LUNENBURG, N.S., Jan. 20:-Twin brothers, Captain David Mader of Mahone Bay and Stephen Mader of Lunenburg, were 80 years of age on December 26, so they celebrated the anniversary of their birth at a party. The gathering was held at the home of Stephen Mader's daughter, Mrs. Charles Dauphinee, Lunenburg, and friends and relatives from near and far attended to extend congratulations.

The twins were born at Mader's Cove, N.S., on December 26, 1851 sons of the late Mr. and Mrs. Frank Mader. They are the only surviving members of a family of six boys and a girl.

Early in life both Stephen and David followed the sea. David, who signed with the crew of a sailing ship when he was 13 years of age. rose rapidly to the position of captain and commanded vessels for many years. He retired ten years ago and settled at Mahone Bay. Stephen's sea-going career star-

Cheapest Way of Reaching the People

The cheapest way of reaching practically all the people of Prince Rupert and district is by means of the classified columns of the Daily News.

Nearly everyone has something they could turn into cash through the "For Sale" column. Perhaps they have a house to rent. Here is the chance. Spend 50c on a classified advertisement and secure a tenant rather than have it idle.

If a girl wishes a position or a housewife wishes help, the best means of getting supplied is through a want ad.

Dressmakers sometimes want work; small storekeepers want to move their goods; or maybe you need an article that has been used rather than pay the price for new. Give the Daily News classified columns a trial. Many have been very pleased at the result.
