PROVIDING OF RELIEF

Notice Given in House of Commons Today of Legislation Sponsored By Gov't

OTTAWA, April 26:-Notice of government legislation for unemployment relief has been placed on the order paper of the House of Commons in the form of a resolution standing in the name of Hon. Wesley A. Gordon, minister of mines and labor.

The resolution authorizes the government to enter into an agreement with the provinces respecting relief measures to pay such sums as may be required to meet obligations created by agreements and to provide for requirements in national parks and drought-stricken areas.
