

# PLAY BALL! and play the game!

## Support your own city. Buy in Prince Rupert

In these days of high taxes, most citizens have enough to do to pay their own city's taxes. Just suggest that they should help pay another city's taxes and you'd hear aplenty!

Yet every dollar sent out of town for goods which in most cases might as well be bought at home, just helps that much to pay taxes there. Looked at any way, this is poor business for Prince Rupert and less business for Prince Rupert's merchants.

Buy in Prince Rupert. Help its merchants pay their taxes. Enable them to give employment to the city's sons and daughters. Prince Rupert has been good to you. Play Ball! And play the game!
