WASHINGTON APPROVES PACIFIC HALIBUT CONVENTION

Effective Action By Conference Demanded By France-Britain

One Nation Urges Limitation of Armaments and Banning of Certain Instruments of Warfare—Other Would Back League and "Organize Peace"

GENEVA, Feb. 8:--Great Britain and France today submitted their theses to the world disarmament conference. Their methods of approach differed. Great Britain would place a limiting line on armaments, ruling out submarines, poison gas and chemical warfare and reducing the size of capital ships and their guns.

France, in contrast, would "organize peace," backing the covenant of the League of Nations with an international force.

Both nations, however, demanded effective action by the conference.

CELEBRATION OF ARMISTICE

Question Being Discussed Whether It Shall Coincide With Thanksgiving

A letter read to the chamber of commerce at its meeting Friday discussed the question of the celebration of Armistice and Thanksgiving Days as follows:

"At the annual convention of The Canadian Chamber of Commerce held in Edmonton and Calgary, Alberta, in 1929, the policy that Thanksgiving Day should be observed apart from Armistice Day was approved, although there was no commitment as to how Remembrance Day should be observed. This year Remembrance Day and Thanksgiving Day were observed mittee on agriculture on Saturseparately, each of them being de- day. clared a legal holiday.

Loses in Appeal Against Levy by Provincial

W. M. S. Dixor, judge of the court of revision in Vancouver, has dismissed an appeal made by the Grand Island Timber Co. Ltd. against an assessment made by C. R. Brown, provincial assessor in Vancouver, as a result of which the appellant company was obligated to pay \$18,000 in income tax in connection with the sale of Graham Island timber to the Powell River Co. When the Graham Island Timber Co. took the timber end of the thirteenth day of the sessment of the lot standing at Redistribution of Provincial Seats in question over nine years ago, it paid \$575,000 of which \$275,000 was in cash and the balance in shares.
