GRATEFUL MOTHER'S LETTER

"With my last baby," writes Mrs. William McLean of Elera, "and I have a family of eight children, I was only able to nurse him for about four months, and then naturally turned to Eagle Brand to bring him along. He was a normal infant all the way, but after starting him on Eagle Brand he gave me little or no trouble, sleeping regularly between feedings, and grew to be such a happy, conhad a sick day since. Wherever I go, people admire him and say 'What a lovely baby,' and ask me how I feed him. Eagle Brand is seeking a satisfactory food for her infant."

Every photograph and letter published by the Borden Company is voluntarily sont us by a grateful parent or other relative.
