Square.

The alderman had apparently overlooked the fact that provision as been made at law for all such cases. It is unnecessary and not a good taste to go over it. It is all in chapters 142 to 157 of the Municipal Clauses Act. The procedure in regard to a wealthy com- any is no different from that of a poor owner of a single lot, who annot pay or will not pay his taxes. Will it pay to accept the settlement? Many people think so. They base their belief, not on scientific investigation, but upon the eeling that the settlement will clear the air. help to get trade into nore rapid motion, and let the future take care of itself. The dry tock and hotel dangling before the people's eyes have an undeniable ttraction. As opposed to the empirical attitude, are these enquiries into the economics of the assessment problem. At least there is no excuse for any voter going to the poll without knowing something of both sides of the question.	failure. Mr. Borden's chief fault apparently is his inability to win, but it is safe to affirm that where he is unable to succeed no other man can hope to win.
