HEADING OUT OF WOODS

"The signals say that we are heading out of the woods," declares Roger W. Babson in a recent article. He also in- month of Judge F. McB. Young who timates that prices will rise during 1932 and that mer- is in the south on sick leave. The chants should take advantage of the present low prices to February calendar for the court put in their stocks. In many industries, supply is less than demand with the usual result. He says: "Remember that dition to old actions coming over production in many major lines has been running far be- that of Jewell vs. Kissock originatlow the current consumption for some time." This means ing in Burns Lake. that once people start buying again a statistical position can shift for the better rapidly. Moreover a wave of specu- follows: lation in commodities would also give a boost to prices."

The statistician intimates that the upward move will be irregular owing to the possibility of gambling in commo- tiff. Patmore & Fulton for defendities. He states that during the flurry last fall there was dant. no justification for the advance so the prices dropped back. He also says:

"This is indeed no time for buyers to be sitting back waiting for good times to return. The right track is to pre- in person. pare for recovery while a depression is still in force. It is at this time that the greatest bargains are available."

A period of rising prices means a period of improving & Harvey for plaintiff, defendant general conditions with more employment of labor, and greater prosperity for everyone. It should also be remem- gate and Charles M. Edwards, bered that these movements are usually rather slow and sometimes almost imperceptible. It took several years for & Harvey for plaintiff, defendant prices to decline and for employment to reach its present in person. unpleasant position. It will therefore take several years for the upward trend during which the struggle for existence is going to be a more or less severe one.

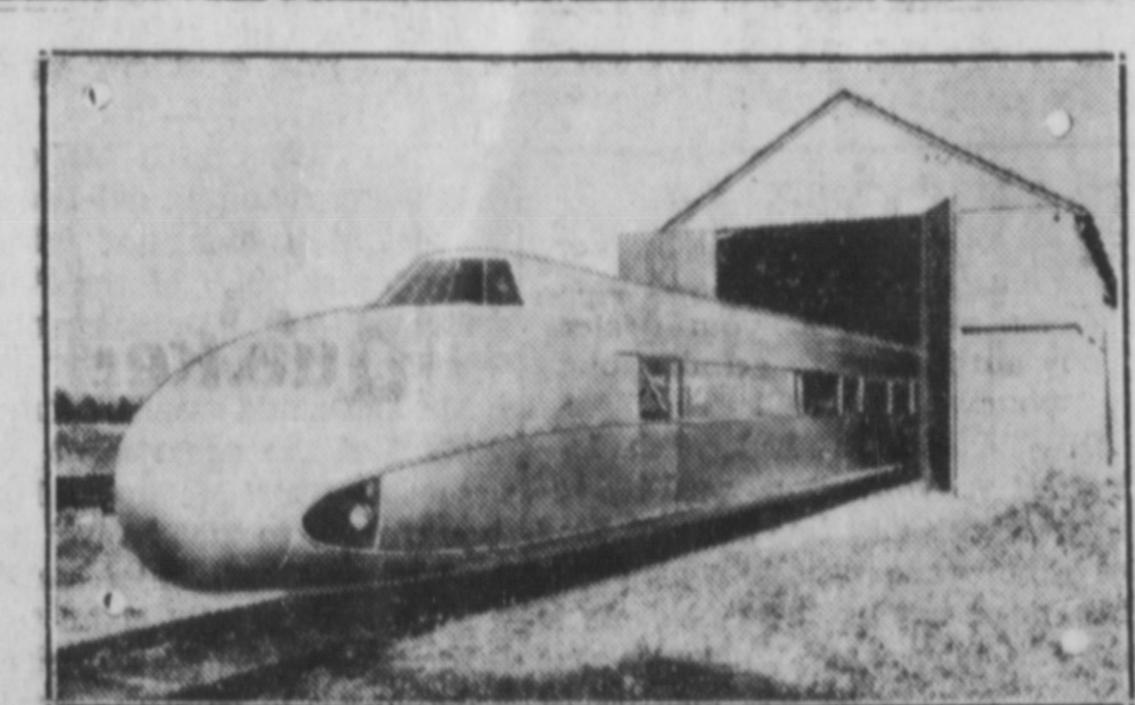

Sickness is really not worth as much as the doctors charge for it.

VISITOR IN EAST

A visitor who recently returned from Eastern Canada says that conditions there do not seem to have improved. All the merchants, great and small, are putting on sales and cutting prices to half their former values. Everything possible is being done to tempt the prospective purchaser. He states that in Toronto suits and overcoats which formerly were sold for sixty dollars are today being sold at liams, Manson, Brown & Harvey for thirty and all other goods in proportion. There is nothing defendants. on the surface there to indicate any improvement in conditions.

On the other hand bank managers, statisticians, finan- Harvey for plaintiff, defendant in cial experts and others declare that the worst is here and person that from now on there will be an improvement. This is the first time that bankers have shown themselves optimistic over the immediate future so that is a pretty good idea that the tide has turned.

In some climates it's a nice day if the mercury rises to zero.

This peculiar-looking contraption, which looks like a dirigible emerging from its hanger, is really a speedy railroad coach, capable of doing 110 mi as per hour and more.

SATURDAY

Miss Mabel Edgar Becomes Bride of Reginald B. Skinner

Hemeer of the Yakon & A quiet but interesting wedding took place at 8:30 Saturday evening at the parsonage of First United Church, Rev. Alfred Wilson officiating, when Miss Mabel Edgar, oldest daughter of Mr. and Mrs. Louis Edgar of this city, was united in marriage to Reginald B. Skinner, well known member of the Fire Hall staff and prominent in athletic and sport circles of the city. Attendants of the couple were Mrs. B. J. Bacon and Charles (Bud) Barrie.

After the ceremony, the occasion was suitably celebrated at 609 Third Avenue, where the couple will reside, dancing and music being enjoyed by about forty friends until the small hours of the morning. At midnight delicious refreshments were served. Suitable toasts were offered. Many beautiful wedding gifts were displayed.

Both the bride and groom are very well known in the city and they will have the hearty congratulations and best wishes of numerous friends.

The New STONED WHIEAT

A NEW Red Arrow health food! Made from stone-crushed Western wheat . . , with bran and all the nourishing elements left intact. Baked at the exact temperature which retains the living vitamins of the wheat and yeast. Delicious! . . . satisfying . . . nourishing! . . . and yet always "kind to your figure."

ASK yourself these four questions — then you will know whether the Life Insurance you now own gives adequate security and protection:

1.—Does your Life Insurance provide that, when you reach old age, you will have a definite monthly income sufficient to make you independent?

2.—Does your Life Insurance safeguard your wife and children guaranteeing them a livelihood if death robs them of your support? 3.—Is your Life Insurance building up a cash reserve for future

emergencies? 4.—Does your Life Insurance also include an education fund to equip your children for the battle of life-whether or not you live to see them start out?

By giving serious thought to your Life Insurance new you will probably save endless regret and worry in the future. By all means talk it over with a Life Insurance representative today.
