CONTRACTOR OF THE PARTY OF THE

Chamber of Commerce Head Sees Possible Industries And Urges Deep Sea Shipping

In a brief but interesting report to the Chamber of Commerce at its annual meeting last night, President J. H. Pillsbury hinted at possible industries for Prince Rupert and urged that every effort be made to secure regular deep sea shipping connections. The report follows:

"It has been our misfortune this year to have lost our

all know, has been transferred to Vancouver. His departure, regretted by all, has been a real loss to this chamber. In his absence, the secretary has prepared a report on the year's activities, which he will presently read and I must at this time express my appreciation of the faithfulness and efficiency with which Mr. Brooksbank has carried

out his duties.

"This past year has been, perhaps, without a parallel in the inpull through.
