Sharp Pains In His Heart Nerves In Bad Condition

Mr. Fred J. Chase, Thomson Station, N.S., writes:—"I have used Milburn's Heart and Nerve Pills with wonderful results. My heart would beat so fast I would have to sit down when at work chopping in the woods. I had sharp pains in my heart when I would lie down at night.

My nerves were also in a very bad condition, but after using two boxes of Milburn's Heart and Nerve Pills I feel just fine, and am fourteen pounds heavier than I have been for years."

NEWS OF THE MINES AROUND PRINCE RUPERT

Consolidated Starts Big Development in Omineca-Georgia River to Resume Development-Rose Lake Men Off to Cariboo

The Consolidated Mining and Smelting Co. of Trail is now initiating one of the largest mining developments in the history of the central interior of the province and has some six carloads of mining equipment at Vanderhoof which it proposes to move into Slate Creek in the Omineca where W. M. Ogilvie has been carrying on systematic pros-

gravels in the Omineca which are der to reach Slate Creek.

expected to bring that district into the public eye as a gold producer. According to reports received in for transport. There are three trac- change.
