WINNER OF THE THIRD CONTEST

Stenographer of Vancouver

This week's (THE SEVENTH) CAR-A-WEEK CONTEST closes July 6th, 1932. All entries mailed after that date will be entered in the next week's contest. The winner of this contest will be announced July 20th, 1932.

NOTE

The only condition of entry in this contest is that you write the following on the backs of 4 front panels from empty Turret Cigarette (20's) packages with portion of excise stamp attached:—on the back of one panel, your name; on the back of another, your occupation; on a third, your street and town; and on the fourth, your province. Fasten the four panels together and mail, on or before the closing date shown above, to Turret Cigarette Handwriting Contest,

Would you like to be a winner too? Of course you would, but you can't be unless you send in a sample of your handwriting.

This contest is simple to enter and you have an equal chance with everyone else. One thing is certain—somebody is going to get a motor car each week. The conditions of the contest appear at the left-hand side of this advertisement—read them and send in your entry.

Remember, excellence of penmanship has no bearing on the judges' decision—but, if your handwriting reveals character or temperament, if it is unusual, unique or interesting, then you have a splendid chance of winning. Mr. Frederic D. Jacob, for 15 years Dominion Government Graphologist, heads the committee of judges who select, each week, the winning handwriting. 100 Free Graphological Readings are also given each week to selected contestants.

A FACETIOUS CRITIC

Editor, Daily News:--

As your paper has a very wide circulation would you, if you have time and space in an early editorial write a powerful "Editorial" and ask the "Cock-eyed World," "Ask the Trees," "Ask the Bees" why the gang of men at a place called Cloyah Bay are being kept in the "Lap of Luxury" and living on "Commodore" food for the last eight months, I am told, without doing a "tap of work." Most of the men, I understand, would be only too glad to have a chance to go to work, but some of the gang seem to be showing signs of "Dry Rot" and openly state in town here they don't care if they ever get work again as long as they can get their grub and plenty of it free and a good place to sleep in and "cadge" all the clothes the soft-hearted (or softheaded) people of your city will give

I hear there is a stretch of road about one-half mile in length to be finished, that would connect the bridge to the camp. This would give a lot of work for a month or two while the weather is good.

I am a heavy taxpayer in this land of Great National Resource! Great National Humbug! It has developed into a Land of Great National Bums, Tramps, Hoboes and Genuine Unemployed and all the fault of a wretched misguided government.

Why not, Mr. Editor, get after the High and Mighty people.

Surely Mr. Depression went out on the last C. N. R. boat for a trip to the South Pole with the best wishes of all that he may stay there. TAXPAYER.
