PASSENGER TRAINS WILL BEGIN ON WEDNESDAY

Government Sanction is Obtained and Regular Trains Are to Run Twice Weekly Connecting With River and G. T. P. Steamers—Prince Rupert's First Train Schedule.

Passenger traffic on the first 100 miles of the G. T. P. Railway up river opens on Wednesday. General Superintendent Mehan is in receipt of the necessary sanction from the Government, effective on Wednesday June 14th, and Prince Rupert will now have a railway service to Copper River and back.

First Train Schedule

Mixed trains, freight and passenger will leave Prince Rupert at 1 p.m. and will arrive at Copper River at 9.20 p.m. on Wednesdays and Saturdays, and will leave Copper River at 9 a.m. arriving at

Prince Rupert 5.20 p.m. on Thursdays and Sundays. The trains will thus make connections with the G. T. P. steamers for the south at Prince Rupert.

River Boats to Connect

An arrangement has been come to with the river steamer owners by which the river boats will connect with the trains as nearly as possible at Copper River on Wednesdays and Saturdays taking passengers on to Kitselas and Hazelton. The line is in excellent order for the maintenance of a speedy regular service.

WILL WELCOME NO MORE NEGROES

Conditions in Oklahoma Have Been Improved so Will Stay There.

Winnipeg, June 12.—Mr. W. J. White, who has charge of the immigration offices as representative of the Canadian Government in the United States, said in an interview here that the influx of negroes from Oklahoma was likely to terminate soon. Discrimination against colored men in that State has been partially removed by decisions of the Supreme Court at Washington on questions relating to franchise. Churches are opposed to the movement, and the Dominion Government similarly regards it. It is recognized that the climate of western Canada is unsuitable for negroes, and every effort will be made by organizations interested in keeping them in the south to show the folly of their attempting to make a livelihood in this country.

MUST NOT USE G. T. P.'S NAME

Railway Company Will Prosecute Anyone Using Their Name.

Anyone using the name of the Grand Trunk Pacific will be prosecuted.

This is the order that has come from Charles M. Hays, president of the company, who is now in Vancouver. Action has been brought against the Grand Trunk Pacific Transfer Company of Vancouver to restrain that concern from future trading under the name of the big corporation.

It is not in anyway connected with the Grand Trunk Pacific Railway Company, and so Mr. Hays believes that the public may be deceived by it and other "G. T. P." concerns.

The Grand Trunk Lands Company is another concern which is not connected with the railway company. Similar action will be brought against the men who form this company.

Scores of real estate companies, employment agencies, hotels, livery stables, transfer companies and grocery establishments throughout the west make free use of the name of the G. T. P.

D'Arcy Tate, solicitor for the company, stated to the press that the practice must in future be stopped and that actions are now pending in the courts against six or seven concerns using the company's name.

CORAL COMES IN THIS SUMMER

Revival of Fashion in the Pretty Pink and Red Treasure of the Sea.

Coral is now being shown in every variety of necklet, beads of all sizes being offered for sale, and the natural coral, which is very reasonable in price, even in choice varieties, being also very popular. Tiny beads are used for bead embroideries, and to embellish all sorts of fancy work. They come in bunches of strings, like the steel and metallic small beads and fancy goods stores should be sure to have some in stock. Extremely pretty little woven daisy chains made by combining these with pearls.

So far the pink, rather than the red, coral, appears the favorite. Ear studs for unpierced ears are seen in this style, as also some very pretty claw sets, brooches, pins and buckles.

Pearl beads in all grades and sizes are selling even better than usual. Pearl necklets will be widely worn with lingerie dresses next summer.

There has been, and continues to be, a strong demand for neck bands of black velvet, beaded with steel, combined with coral or turquoise.

Hatpins are, on the whole, rather smaller than usual. Extremely popular numbers are being got up to retail at surprisingly low prices. These include a pin about one inch across of cluster brilliants, with pearl centre in filigree set, to retail at ten cents.

LIGHTNING HIT A FERRIS WHEEL

Five Persons Killed and Five Missing in Terrific Storm Which Hit New York.

(Canadian Press Despatch)
New York, June 12.—While the pleasure seekers were enjoying themselves on the huge Ferris wheel at Coney Island yesterday afternoon, a storm broke, and the lightning struck the wheel. It threw the monster wheel off its axis and in the panic which followed the passengers endeavored to escape from the cars. They were all rescued at last by means of long ladders.

In the city enormous damage was done by the storm. Five persons were struck dead, and five more are reported missing. The property loss is placed at a million dollars. Several New Jersey cities are reported to be flooded. The storm is still raging over a large portion of New York state.
