Charges of Mismanagement Made Before Investigating Body Has Resulted In Issuing Subpoenas

Alleged That Government Officials Arranged to Buy Lumber at Prices in Excess of What Lumbermen Offered

VICTORIA, March 11:-As a result of charges of mismanagement in connection with unemployment relief camps made before the committee investigating unemployment relief on Thursday, a number of subpoenas will be issued summoning various persons who had to do with supplies and public funds. It was charged that lumbermen

of the province had made offers to supply lumber at a stated price and P.G.E. Telegram that purchasing agents for the government subsequently made ar-Subject of Query rangements to buy lumber at prices very much in excess of what the lumbermen's organization offered.' Charges were also made regarding a number of other items.

MacPherson, Liberal member of the Legislature for MINING ON Cranbrook, has asked Premier Tolmie in the Legislature if a telegram BIG SCALE was sent during 1931 to the member for Fort George regarding immediate commencement of further

WAY HERE

Governments to Meet Unemployment Relief Obligations Up to February 15

VICTORIA, March 11:-A sum of \$500,000 is on the way from Ottawa, \$324,000 to be distributed among municipalities almost immediately for money owing to them through the province on Dominion account. This will pretty well clean up unemployment relief accounts to the middle of February.

Prince Rupert will get \$19,807 to help pay for the relief work which was carried out last fall and which the city has so far fin-

With the possibility of some adjustments, the amount now coming will clean up the obligation of the two governments to the city on relief work, Mayor Orme stated this morning in commenting upon the above dis- the Woman's Auxiliary.

The mayor observed that it appeared the provincial government had been correct, after all, in its attitude regarding the standing of unemployment relief funds as between the two governments.
