Even Pacific Is Improved

Some years ago, when we found how to retain all the natural cream richness in canning milk, we felt no other discovery of equal importance could ever be made.

We know, of course, that could milk be packed in vacuum cans it would bring it to the table with all the freshness of new milk.

It seemed impossible to pack liquids in vacuum, but Pacific now announces success and this good milk will all be vacuum- packed in future.

RECENT VISITOR HAS COMPLICATED WATCH REPAIRED

A recent visitor in Rupert asked a friend where he could get his watch repaired, a rather complicated one, which he had been unable to have repaired at various places. His friend soon told him "There's only one place to take it."

His watch was repaired and re- gulated in less than a week in the repair department of Max Heilbroner, Jeweler, who spe- cializes on the repairing of fine watches.

Embarrassed By Pimples on Face

Mrs. O. J. Benson, Seal Cove, N.B., writes:—"I was in a very nervous, rundown condition, and not able to do my own work. My face was covered with pimples which was very annoying and em- barrassing to me at times. After taking three bottles of Bur- dock Blood Bitters I can do my own work, and the pimples have entirely disappeared."
