Mrs. T. E. Cliff, Kelwood, Man., writes:—"My little daughter's hands and arms broke out in sores which spread all over her body. Nothing I tried gave her any relief until I got a bottle of Burdock Blood Bitters, and I could see an improvement, as the sores began to disappear. I gave her three bottles and she has had no more trouble."

"Feeling Like a Different Person."

"I could hardly walk across the room," writes Mrs. H. E. Swanzy, R. R. No. 1, Collingwood, Ontario, "Everything would turn black and I would become so dizzy I would have to rest. I thought I would never be strong—when I was advised to get Dr. Williams' Pink Pills. I used them until I had taken six boxes. Soon I was feeling like a different person. I am now the mother of six strong, healthy children."

The iron and other elements in Dr. Williams' Pink Pills (tonic) increase the amount of haemoglobin, or oxygen-carrying agent, in blood. The result is a better appetite, a feeling of well-being, restful sleep, and the ability to do your work happily.

### FINE NEW MASONIC TEMPLE HERE IS COMPLETED; OFFICIAL OPENING TAKES PLACE TOMORROW EVENING.

(Continued from Page 1)

The Tyler's room is fitted with cupboards for use of the various lodges. Passing through the Tyler's room, the lodge room is reached. Measuring 40 by 50 feet, the lodge room is handsomely appointed and luxuriantly furnished. There is settee seating capacity for 125 persons with additional seating possibilities up to 250. Indirect cove lighting has been used and makes a splendid effect. Organ loft, beautiful carpeting, etc. are other features of the lodgeroom.

In another section of the second floor is the committee room which is commodious and excellently furnished with electric fireplace and mantel. An interesting little feature of the committee room is a framed picture of the famous outdoor lodge of 1861 at Barkerville, B.C. Other rooms of the lodge are in keeping with the rest.

The Temple is hot-air heated. The building, in all, is a real acquisition to the architecture of the city and a splendid monument to the enterprise of the Masonic craft of Prince Rupert.

Contractors and Suppliers General contractors for the building were J. S. Nelson and John Currie & Son. Sub-contractors and suppliers of material were as follows:

Plumbing—Smith & Mallett. Electric wiring—Parkin & Stuart. Painting and decorating—Bell & Keays. Heating—Steens Limited. Plastering, tile and stucco work—John Bremner. Furnishings—Globe Furniture Co., Waterloo, Ont. Carpet—Philpott & Evitt. Lighting fixtures—Gordon's Hardware.

The general committee in charge of the building of the Temple consisted of G. H. Munro, chairman, Robert Gordon, T. H. Johnson, G. P. Tinker, John Dybhavn and W. M. Brown.

In order to accommodate a Masonic visit which is to be made at Anyox that evening C.N.R. steamer Prince Rupert will sail from here at 3 o'clock instead of 4 o'clock on Wednesday afternoon of this week for Anyox and Stewart.
