Would Delay Action

Ald. J. H. Pillsbury, who is also president of the Chamber of Commerce, mentioned other correspondence on the matter of the Gibb report which had been instituted by the Chamber. One of these communications had been direct to Sir Alexander Gibb in London. Until the results of this correspondence had been learned and a further explanation had been received from Sir Alexander Gibb, he would not favor sending the resolution now

proposed to the council. Ald. Linzey thought that altogether too much attention was being paid to the Gibb report. Sir A!exander had been brought to Canada primarily to report on three ports one of which was Vancouver but not Prince Rupert. Naturally. his recommendations would be based on the Vancouver standpoint. He (Ald. Linzey) did not think for a minute that the government would implement the suggestion made regarding Vancouver and the Peace River outlet.

Ald. Casey thought that it was the duty of the council, in the interests of the people, to send the resolution as outlined to Ottawa without delay.

On the question being put, all members of the council were in favor of sending the resolution with the exception of Ald. Pillsbury and Ald. Black.

The council's Peace River committee consisted of Ald. Collart. Ald. Casey and Ald. Macdonald. Copies of the report will be sent to the Prime Minister, the Leader of the Opposition and the local mem-
