#### FASHION HINT

"How to make my old short skirts conform to the new length was a problem to me until I hit on this plan. I dropped the hems; and as the part that had been turned under was darker than the rest, I redyed the entire dress, after having bleached the goods, following directions in the Diamond Dyes package.

"I used Diamond Dyes for the redyeing, of course. I have dyed many things with these wonderful colors. They have saved me many dollars and have never failed to give perfect results-smooth, even colors -fast to wear and washing. Friends think my things are new when I redye or tint them with Diamond Dyes. They do give the most gorgeous colors!

ACIDITY haunts its victim like a shadow. No appetite; what you do eat disagrees, causes flatulence and makes you sluggish. Work is an effort. Before night, a headache.

Do you know what is wrong? An acid-soaked system! Too many acid foods. But you need not diet your way out of this difficulty! Take a tablespoonful or two of Phillips' Milk of Magnesia.

From the hour you relieve that acid condition you will feel like another person. Every spoonful of Phillips' Milk of Magnesia will neutralize many times as much acid. Take it when stomach nerves are over-stimulated through worry, or excitement; when everything ferments in your stomach, and waste matter is poisoning the bloodstream or whenever the bowels are clogged.

Phillips' Milk of Magnesia has a gentle, laxative action. It is ever so much better for one than the harsh purgatives that upset the stomach or weaken the bowel muscles. An occasional dose of Phillips' Milk of Magnesia is all that is necessary to avoid those periodical attacks of sluggishness so apt to occur with any person who does not get a great deal of physical Phillips' Milk of Magnesia is sold

at drug stores everywhere in the dominion in 50c bottles. Be sure to say "Phillips" when you buy. Then you're sure of getting the product that doctors prescribe.

The ideal dentifrice for clean teeth and healthy gums is Phillips' Dental Magnesia, a superior toothpaste that safeguards against acid-mouth. (Made in Canada.)
