Mr. and Mrs Loen were away for the week-end when the fire occur-red. The well-appointed five-room Will Discuss house, together with all its contents. was completely destroyed. All Mr. and Mrs. Loen saved of their belongings were the clothes they wore. Very little insurance was carried.

Whole Country Parched After Weeks of Dry Weather-Forest Fires and Dust

The Prince George district parched after weeks of hot, dry weather, according to arrivals in the city from the interior on this! afternoon's train. A light rain fell Sunday night buit it was not nearly adequate to bring relief. There are many forest fires and the interior roads are covered with inches of

Rain, and lots of it, is the crying Vancouver on legal business. need of the whole country and its

The School Boy

Persistent study consumes an enormous quantity of nerve force and indoor life is not conducive to the formation of rich blood from which nerve force is made.

Many boys and many girls fail at examinations because their nervous systems play out. Some suffer from complete nervous break down.

There is nothing like Dr. Chase's Nerve Food to form rich, red blood and restore the nervous system. Young people respond quickly to this treatment.

Dr. Chase's Nerve Food

Brings new health and vigor to all the family.
