

HE flavour of Quaker Corn Flakes is too delicate to entrust to an ordinary carton. So we pack them in our sealed container inside the sealed carton, then wax wrap and seal the wrapper. Triple-sealed . . . wax-wrapped. All the freshness, crispness and flavour are preserved for you.

Subtle and intriguing, because ingredients in this flavour are the highest quality ever put into a corn flake. Special malt, pure CANE sugar, and salt of crystal purity.

Won't you try Quaker Corn Flakes? We have made this wonderful flavour just to suit your taste.
