Liberals of North Vancouver Have Wild Convention; Named Two Candidates Amid Uproar

NORTH VANCOUVER, July 27: (Canadian Press)-Two Liberal candidates were nominated last night for the provincial riding of North Vancouver by two separate meetings.

A body of people crashed through the door of the Knights of Pythias Hall when they were refused admission on the ground that they did not have credentials and took possession of the upper part of the hall after an exchange of fisticuffs in a miniature Donnybrook. They nominated J. M. Bryan.

Delegates present before the door crashing occurred retired to the lower part of the hall and nominated H. S. Wood K.C.

It is understood that efforts will be made to conciliate the differences between the two factions in the riding.
