TELLS ABOUT RECENT TRIP

Syd. Thomson Had Interesting Visit In California and Recounts His Observations at Rotary Luncheon

A very interesting address was given yesterday afternoon at the regular luncheon of the Prince Rupert Rotary Club by S. C. Thomson, dealing with things he saw on a recent trip to California. While in San Francisco he met his son and daughter both of whom are living in the city.

Outstanding among the interesting things he saw were the new Golden Gate bridge at present under construction at a cost of \$31,000,000. Another was the bridge connecting with Oakland by way of Goat Island. This was eight and a quarter miles long. The upper deck had six lanes for transportation and the lower five. No provision was made for pedestrians. The bridge is 200 feet above high water.

Mr. Thomson passed through San Jose, the scene of the recent lynching after the commission of the crime but prior to the hanging of the criminals. He said the people there were very bitter against the perpetrators of the kidnapping and murder of Brooke Hart. He attributed the action of Governor Rolph and others to the laxity in securing convictions in that state. He thought there would be no change for the better as long as judges and other officials were elected as at present.

The speaker said he was in San Francisco at the time of the rejuvenation of John Barleycorn but he saw no particular change in the habits of the people as a result. Things went on just about the same.

A number of interesting observations and incidents were reported by the speaker. At the close he was thanked by John Dybhavn, the president.

HOOP GAME SCORE BIG

C. N. R. A. Beats Kaiens 84 to 53—Sonny Stiles Makes Record

Senior League—Canadian National Recreation Association, 84; Kaiens, 53.

Ladies' League—Cardinals, 17; High School, 8.

Intermediate League—Merchants, 19; High School, 8.

Junior League—Flashes, 14; Scythians, 6.

Before a good turnout of fans the C. N. R. A. cagers ran roughshod over the Kaiens in the Senior League to win 84 to 53. Sonny Stiles set an all-time record for individual scoring by snaring forty points. The Kaiens had to use two intermediate boys to make up their team. At half time the score stood 38-18.

After the interval the C. N. R. A. machine clicked and started to pile up the points.

The girls from that Seventh Avenue school of learning lost to Feb Stone and her red demons in a hectic struggle 17 to 8 with the students playing the better brand of basketball in the second half.

The High School had little trouble to defeat the Merchants 33-19 in the Intermediate League. All the school team played well while Don Arney was outstanding for the Merchants.

In the junior game the Flashes won their tussle with the Scythians in a one-sided match 14-6.
