TOO MANY FOXES!

GOLDBLOOM, THE OLD RELIABLE

Finds himself overstocked with fox furs. He has fifty of them, mostly silvers, that must be sold to make room for raw skins coming in.

By buying furs now there is a saving of thirty to forty percent over buying in the fall and yet they can be worn all the year round. Good furs look rich. Buying and wearing one now will help remove the depression. Call and look our's over.
