BURDOCK BLOOD BITTERS

Headaches and Pains In Stomach

Mr. W. G. Simpson, Saria, Ont., writes:—"For two years I was troubled with severe headaches, and pains in my stomach. My druggist told me to take Burdock Blood Bitters, and since then I have not been troubled with either.

Each spring I find a bottle of B.B.B. is just the thing to clean the blood of the poisons gathered in the system during the winter months."

The Good Improved---

For Babies

Always Pacific Milk has been good for babies. It is scientifically "broken up" in the canning process and is thus made specially easy on tiny digestions. Babies thrive on it when no other food can help them, so doctors recommend it. Vacuum packing made it even better—for babies and for grown-ups.
