MR, McKENZIE RESIGNS

There is little surprise at the announcement of the re- was centred. signation of Hon. William A. McKenzie, minister of mines, from the government of Premier S. F. Tolmie with which he was unable to agree upon the matter of irrigation policy, a most important question as far as Mr. McKenzie's J. Hunter responded. riding of Similkameen is concerned. A man of genial personality and political sagacity, Mr. McKenzie has been generally regarded as the quiet organizing power behind the Tolmie government in much the same sort of way as popular in the city, having resided those who had gone to other com- wards who have consistently found was the late William Sloan for the Liberals during the they will have hearty congratu- passed away in the course of the times and Mawson, who was credit-Oliver and McLean regimes. His resignation may well be lations and best wishes of numerous intervening years. taken as one of the last straws in the breaking of the cam- friends. The groom is a member of A word of appreciation was stoke has one of the finest deel's back as far as the ill-fated Tolmie government is con- the mechanical staff of the Rupert voiced by Claire Giggey of the min- fences in football today. Spencer cerned.

The general expectation, even among Conservatives, seems to be that Hon. R. W. Bruhn, minister of public works, who has been doing much talk about political independence and the need for coalition, will also break soon with the government. In view of Premier Tolmie's dismal failure to bring about a "union" government, Mr. Bruhn's present position in continuing to support the administration would, indeed, appear to be quite untenable.

BRITAIN'S ECONOMIC OBJECTIVES

Students of economic matters will agree that, if the forthcoming world conference is to achieve any success in encourage the buying of goods at have been one of the most pleasant rectifying the sore depression from which the world has home instead of sending outside. It events recently held in Terrace. been suffering, something along the lines of the British objectives, such as were announced yesterday by Rt. Hon. Neville Chamberlain, the Chancellor of the Exchequer, were concerned, they already commust be achieved at that great gathering.

If the great nations taking part in the conference can bringing goods in here was considagree on a common line of action which will result in "an ered as well as the limited turnincrease of prices to a more satisfactory level," "a cur- over. of a stable international money standard," and "abolition in regard to the unreasonableness Three Hills subdivisions in Alberta rency understanding leading eventually to the restoration or reduction of the barriers to international trade," then of prices here, urged that there report weather mostly warm with the world may well expect an early return to more pros- should be an aggressive program of heavy rains which delayed seeding perous conditions as a result of increase of trade, industry advertising by local merchants in but provided beneficial moisture and employment.

If, however, there is failure along these lines, be it due der a delusion in the belief that cent of the coarse grains are now to prejudice or national selfishness, there are many who prices were so much higher here in: Early sown grain is growing will be inclined to agree with Mr. Chamberlain's fear that than outside. Valuable work might fast, and looks fine, while pasture "the world may despair of emerging in our time from the also be done in agitating for lower are excellent. denression with its hardships and suffering."

Happily, however, there appears to be a disposition and anxiety among the greater nations to reach some com- appeal should be made to the pa- tically completed and from 20 permon ground such as may be suggested by Mr. Chamber- triotism of the ladies in the matter cent to 50 percent of the coarse lain's enunciation of British objectives.

Baseball Series is Being Arranged

KETCHIKAN, June 3:-Preliminary negotiations have been opened for a series of baseball games between Juneau and Ketchikan during the coming summer. One of the home and home series would be held either here or at Juneau on Independence Day.

Ketchikan Won Baseball Game

Defeated Metlakatla Three to One In Memorial Day Match

KETCHIKAN, June 3:--Ketchikan and Metlakatla baseball teams staged a splendid Memorial Day baseball game here, the locals winning three to one. The game was called at the end of the seventh inning on account of rain. Ketchikan scored all its runs in the first inning while Metlakatla made its lone tally in the seventh.

Baseball Scores

National League New York 11, Philadelphia 3, Brooklyn 1-7, Boston 6-2.

· American League Chicago 1, Detroit 14. Cleveland 2-1, St. Louis 1-0. Boston 3, Washington 8. Philadelphia 4, New York 5.

NO STOCK SESSION

Today being the King's Birthday and a financial holiday, there were no stock exchange sessions in Vancouver, Toronto, Montreal or other eastern cities.
