New and more stringent regulations regarding the carrying of revolvers in this province are now in effect, it is announced at provincial police offices here. Sympathy For Rail Workers Is Expressed

The meeting of the Unemployed Councils held last night declared itself emphatically in sympathy with the railroad workers who again face the possibility of a 10% wage cut and, in resisting the cut, it was declared, they could depend on the unemployed doing everything in their power to help.

The report of the delegates to the mass delegate meeting of local trades unions was given and the resolution against forced sales of homes for taxes which emanated from the meeting was endorsed.

The meeting was well attended, Oscar Larson presiding.
