IT'S LIVER THAT MAKES YOU FEEL SO WRETCHED
 Wake up your Liver Bile
 —No Calomel necessary
 For you to feel healthy and happy, your liver must pour two pounds of liquid bile into your bowels, every day. Without that bile, trouble starts. Poor digestion. Slow elimination. Pains in the body. General weakness.
 How can you expect to clear up a situation like this completely with mere bowel-moving salts, oil, mineral water, laxative candy or chewing gum, or roughage? They don't wake up your liver.
 You need Carter's Little Liver Pills. Purely vegetable. Safe. Quick and sure results. Ask for them by name. Refuse substitutes. 25c. at all druggists.
