

Headaches and Dizzy Spells Nerves in Bad Condition

Mr. Neil Crawford, Hamilton, Ont., writes:—
"My nerves were in such bad condition I found it almost impossible to get a good night's sleep."

I was also bothered with headaches and dizzy spells.
I tried many different remedies, but they did not seem to give me much relief, but after I had taken Milburn's Heart and Nerve Pills I could hardly believe the change they had made in my condition."

For sale at all drug and general stores; put up only by The T. Milburn Co., Ltd., Toronto, Ont.

THE ORIENTAL TRADE SITUATION

Prince Rupert, in view of its position and possibilities of being an important factor some day in trade with the Orient, naturally takes a very keen interest in the economic and commercial affairs of such nations as Japan and China. Yesterday press dispatches referred to the clouds of economic warfare which were looming over the Orient on the eve of the world economic conference. The suggestion was conveyed that Japan was considering reprisals against the British Empire following the abrogation of the Indian-Japanese trade agreement and other moves that have been made to keep cheap Japanese goods off the British markets.

Naturally, if Great Britain takes steps to keep Japanese goods out of its domestic market, Japan may be expected to take similar action to keep British goods out of that country. It is another of the problems that presents itself in connection with the attempt to develop intra-Empire and, at the same time, foreign trade. In view of the great extent of the British Empire, it is a most difficult undertaking to develop along both lines.

Many economists, however, believe that, as far as trade with the Orient is concerned, that will naturally develop if something can be accomplished in the way of stabilizing the value of silver which is such an important factor in the Oriental currencies. This is another important matter to be taken up at the world conference in which Prince Rupert district is vitally interested both from the standpoint of silver mining and Pacific trade development.

MR. BOWSER ADAMANT

As those who know the astute old politician best had expected, Former Premier W. J. Bowser has refused to give up his "non-party movement" in British Columbia by rising to the bait of a possible, if improbable, reunion of the Conservative party under leadership of Hon. H. H. Stevens. Mr. Bowser could hardly have been expected, after all, to give up so easily as that exclusive control of the Conservative party machine which, call it what one may, it is a well known fact that he today has entirely in his own hands.

Incidentally, Mr. Bowser's insistence that he has no intention of foresaking this final bid for governmental power, should just about eliminate Mr. Stevens from the picture as far as foresaking his secure position in the federal field to lead a hopelessly tottering party in British Columbia is concerned, even should Premier Tolmie agree to retire and about which eventually there is much uncertainty. The position of the "non-party," "coalition," "government," "union," "Conservative" (perish the word!) or what-have-you, parties in British Columbia appears to be about as confusing as ever.

7:30 P.M., Sermon Subject: "ON BEING A GOOD SAMARITAN"
All visitors welcome

FLAG DAY OBSERVED

Postponed Ceremony and Sports Program Being Held This Afternoon at Acropolis Hill Grounds

With a thousand or more kiddies in attendance, the local Elks' Lodge is this afternoon holding its annual Flag Day ceremonies and sports program at the Acropolis Hill grounds, the event having had to be postponed from the King's Birthday on account of bad weather on that day.

The afternoon's proceedings started with a parade from the Westholme Theatre to Acropolis Hill grounds. The parade, of which Sam Joy was chairman and marshal, was led by the Prince Rupert Boys' Band, under Bandmaster Robert Greenfield, the Sea Cadets, under Chief Petty Officer Instructor Anslow; the Girl Guides, under Lieut. Norma Rogers, and Boy Scouts, under Scoutmaster P. C. Miller, with several hundred children taking part in the procession. Pete Chenoski, mounted upon a horse and representing Buffalo Bill, and a dozen or so clowns created much merriment.

Following arrival of the parade at the Acropolis Hill grounds, there was the ceremony of raising and saluting the flag after which "O Canada" was sung. There was an address by City Commissioner W. J. Alder who spoke on the meaning of the flag. Following the distribution of free peanuts and ice cream, a program of juvenile races was started including a Junior League football game. The committee in charge of the sports program consisted of W. D. Vance, Harry Menzies and Lee Gordon.

This evening another clown parade is planned followed by a comic baseball game, children's masquerade, presentation of cups and public dance. The May Queen, Miss Lydia Pettenuzo, and her court will take part in tonight's parade.

The Letter Box

UNEMPLOYED AND CAMPS

Editor, Daily News:—

It is indeed refreshing to have our faith in human nature restored and realize once more that fundamentally we are connected with the Arboreal Order of Apes. "Citizen's" letter in the press yesterday brings me into the ring on behalf of organized unemployed labor. The unemployed would be in a sorry plight if unorganized. We, who have borne the brunt of the depression for three years, are now to be corralled in the bush under the supervision of ex-army officers. How anyone can view with equanimity thousands of his fellow creatures being herded like animals is beyond my comprehension. What "Unemployed" was trying to explain was that if the wealth were to be taken from the rich, or if everyone's means of livelihood were to be taken from them, and they were to be herded into camps, they would do exactly the same as the unemployed are now doing. It is no matter what principles, patriotic or otherwise, actuate the gallant Major Fordham. The well being of the unemployed is his least consideration. He is only the puppet of political higher-ups who now propose to exploit the unemployed by forced labor in order to get rid of surplus clothing and throw a sop to camp caterers and political hangers-on. The unemployed have now had experience of camps and many of them of army officers and we have no desire to renew the experience, especially in times of peace. If we have a choice, we may elect to try the Salvation army. Personally, I am disappointed that the church has not entered the political arena but it seems to be emasculated. There seems to be no hope from any of the present political parties to judge by past and present mis-government.

W. A. HOGG,
for Unemployed Councils.

ECONOMIES DISCUSSED

(Continued from Page 1.)

tion who should go to the Old Men's Home. The finance committee will go further into the matter.

X-ray service of the hospital was also discussed, the doctors stating that the same charge was made here as elsewhere but without the full service being given. A committee consisting of Wm. Brown, G. P. Tinker and Managing Secretary H. W. Birch will continue discussion of x-ray operation with the doctors.

The doctors also brought up the desirability of additional equipment in the hospital.

Health of Nurses

Health of nurses was discussed with particular reference to x-raying of the staff, rotation of night nurses and sleeping quarters of night nurses.

In the matter of x-raying the nurses as to physical condition, the board last night decided that, in future, all girls coming in for training should at first have x-ray examination and that all members of the staff should have such examination annually.

Certain improvements in the sleeping quarters for the night nurses in the hospital building proper were discussed by the board and these will be gone into further by the house committee.

Rotation of night nurses was already being practised to a certain extent, it was stated.

There will be another conference shortly between the board and the Medical Association.

Moose Dance Last Night is Enjoyed

Another Happy Affair Staged by Lodge With Good Sized Crowd In Attendance

Another very enjoyable dance was staged by the Moose Lodge in the Moose Hall last night. A good sized crowd took part in dancing from 10 p.m. until 2:30 a.m. Music was by Mrs. J. S. Black's Orchestra and Joe Slaggard was a genial master of ceremonies.

At midnight, delicious refreshments were served with Mrs. Ole Stegavik and Mrs. Peter Wingham in charge of the catering.

The committee in charge for the evening consisted of W. B. McCallum, Andrew Macdonald, A. K. Nelson, Ted Rorvik, B. J. Bacon, D. C. Schubert and Percy Cameron. Presiding at the door was B. M. Simpson.

SMITHERS BASEBALL

Home Team Defeats Hazelton But New Hazelton Defeats Seniors

SMITHERS, June 10—On Sunday there was a very exciting baseball game in which the Smithers Snappy Nine team defeated the Hazelton team by the close score of 6 to 5, the winning run being made in the last half of the ninth inning. There was a large crowd of rooters out for each side, a number of Hazelton people having driven over to support their team. The batteries were:

Smithers—Victor Giraud, pitcher, and Pat Downey and Harley Lewis, catchers.
Hazelton—Perry York, pitcher, and Ab Moore, catcher.

On the same day the Smithers Seniors were beaten 11 to 2 by the crack New Hazelton team on their own grounds.

Baseball Scores

NATIONAL LEAGUE
Chicago 2; St. Louis 12.
Cincinnati 0; Pittsburgh 2.

AMERICAN LEAGUE
New York 7; Philadelphia 6.
Washington 7; Boston 2.
Detroit 9; Chicago 10.

BASEBALL SEASON OPENS TOMORROW

Sons of Canada and Elks are all lined up and ready to go in the opening baseball game of the season which is scheduled to take place tomorrow. If possible, C. H. Orme, honorary president of the league, will toss the first ball over the plate. Both teams present strong line-ups and a fine class of ball should be dished up for the fans.

CASE FOR VETERANS PRESENTED BY VISITING OFFICIALS: STATE OF ECONOMIC AFFAIRS RAPID.

(Continued from Page 1)

son for the previous arrangement whereby the Pension Tribunal saw the claimant in person. Even a criminal was given an opportunity to state his case in person to his judges.

Heritage of Youth

The speaker expressed his sympathy with the youth of today. Lack of opportunity to work, lack of opportunity after they completed their university education, suggestion that even the schools be closed, were indicative of the heritage that the youth of today were heir to. And the veterans had risked their all and the happiness of their dependents that the world might be safe for democracy.

In a world suffering from overproduction people were expected to live on nine cents a meal; and tuberculosis was increasing as a result of mal-nutrition. The Canadian Legion had a definite work ahead in planning a democratic method of seeing that people had enough food, clothing and shelter and that the veteran prematurely aged as a result of his war experiences be assured an old age free from the spectre of starvation and suffering.

A hearty vote of thanks was accorded the speaker by J. S. Wilson and the president.

It is expected that Mr. Barnard and A. Coburn, president of the Nanaimo branch of the Canadian Legion, who is accompanying him on a tour of the north, will address another meeting here on their return south from Stewart if boat connections permit. Notice will be given through the press and returned men with specific cases for discussion will be asked to meet Mr. Barnard then.

FUNERAL OF ALEX M'RAE

Chapel of B. C. Undertakers Taxed to Capacity This Afternoon by Those Desirous of Paying Last Respects

The chapel of the B. C. Undertakers was taxed to its capacity this afternoon by many friends desirous of paying final tributes of respect to the memory of deceased and expressing sympathy for the sorely bereaved relatives at the funeral of the late Alexander McRae, victim of a tragic accident at Hyder, B.C. earlier in the week. Following the funeral service, a long concourse wended its way to Fairview Cemetery where interment was made.

Rev. W. D. Grant Hollingworth, pastor of First Presbyterian Church, officiated both at the chapel and at the graveside. He spoke fittingly of the life of deceased and expressed words of comfort for the bereaved. A. J. Lancaster presided at the organ to accompany the hymns which were "Lead Kindly Light" and "Abide With Me."

Following the service at the graveside, military honors were paid deceased with the sounding of "The Last Post." Pallbearers were Bert Morgan and George Howe, representing the Prince Rupert Whist and Cribbage League; J. W. Pottinger, representing the Trades and Labor Council; John McKenzie and William McLeod, representing the Canadian Legion, and Peter Thompson.

There were numerous and beautiful floral tributes.

GROWTH OF CROP FAST

(Continued from Page one)

In Central Saskatchewan and districts to the north thereof, weather has been ideal for growing crops, although some districts report excessive moisture. All seeding is completed while wheat is well above ground and making splendid progress. Coarse grains are commencing to show, growth is rapid and, so far, no damage has occurred from any source.

The Drumbeller, Red Deer and Azadia Valley sub-divisions in Alberta have had excellent growth during the past week with practically all seeding completed and wheat showing about six inches of healthy appearance. No damage is reported and pastures are in fine condition.

Along the Unity, Viking, Camrose, Vegreville and Alliance subdivisions all grains are progressing favorably although some slight drifting is reported on lighter land and a good rain would be beneficial.

While receipts of cattle this week on western stockyards have not been very heavy, the trade has ruled slow with generally lighter prices on everything with the exception of stockers and feeders. Very few of the latter are coming through and more could be handled at present prices. The hog market remains unsettled.
