some of it placed on the market. When is a fire alarm not a fire Before taking any other line of alarm? Such is the question that action, the board is now in touch has been agitating Fire Chief Morwith the aevelopment company rison and his good men following seeking removal of the caveat. The a call which was sent in yesterday board, which bought the land with morning to the home of Mr. and a view to eventually using it as Mrs. W. H. Smeeton, Park Avenue. the site of a new hospital, is now whence they turned out to extrifinding it a rather a costly matter cate from its plight a cat which had been enconced upon the roof for twenty-four hours or more and which it was feared might be feeling the pangs of appetite. The fene was extracted without much rouble. In fact, the boys were more puzzled on how they were going to log the call. To be sure. here was no fire. Nor did they feel justified in putting it down a false alarm. "Wh, not call a pade a spade and put it down as a catcall?" was the suggestion of a newspaperman who was called into conference to assist in solving the burning (?) question. We have not yet heard if this idea has been acted upon.
