Smithers citizens to secure support in the valuable work being carried on. It was reported that the tie contracts had been completed and some inspected.

> Smithers basketball teams, both High School girls and boys, won decisive victories over their Telkwa opponents in a series of games played here lately.

#### BURNSLAKE

Spinning wheels are getting to be all the vogue in this district. Jack Stayner of Francois Lake. who, a few weeks ago, launched into the local manufacture of spinning wheels, has been getting many enquiries for them. Now his son, Jasper, has completed a working model, measuring fifteen and one-half inches high at the wheel and eighteen and one-half inches in lenght. It is complete in every detail and can be used to spin first-class yarn from native wool.

Joe Johnson has returned to his home from Winnipeg. While in Winnipeg, Mr. Johnson underwent a major operation and he is now very much improved in health.

Miss E. Haines, R. N., superintendant of the Burns Lake hospital i sback on duty after a month's vacation.

Douglas Lay, resident mining engineer for the northeastern mining survey district, gave four lectures on placer and lode gold production at largely attended meetings held here lately.

BRITISH BOY SCOUTS IN CAIRO

In addition to the many Egyptian groups, the Boy Scouts of Cairo include 547 British boys, and several Maltese troops.
