### VOTED FOR CONSTRUCTION

It is pleasant to see several Conservative members of Parliament for British Columbia seats joining with the Liberals in voting for construction of the Peace River outlet as a means of giving employment to a great many men and at the same time of carrying out a pledge made to the settlers who have gone into the country. Also the building of the road would at once revive industrial activity in the west and increase the earning and spending power of many hundreds of people.

There is today a great tendency among politicians to become more independent than formerly and it is a good tendency. We want men who will think for themselves as well as follow the party lead. The welfare of the country dea pends upon men who have independent minds and are not

The Warriors again strengthened their lead by taking the Tuxis into camp by the close margin of two points in the intermediate fixture last night. The game was close from start to finish with a two-point lead separating them the most of the time. This game was also rough but the boys were playing plenty fast and a lot of it was excusable. In the last five minutes of play it was impossible to decide which team was going to win. However, the Warriors had the leaders the full-time Montreal 1, New York Americans whistle blew.

After the rest the Kaiens got together again and with Cross and Wingham playing a whirlwind game soon managed to overcome the 15-point lead and tie with the C. N. A. From that point on the match became fast and rough was was kept well in check by Referee B. Skinner. With but a few minutes to play, the game became vary fast both teams trying to break the deadlock but the last whistle blew with the teams standing 40-40. In the five
