WHIFFLETS From the Waterfront

After paying his first visit to town this season, R. G. Johnston, manager of Inverness and Klemtu canneries, sailed yesterday afternoon on the Catala for a brief trip to the Rivers Inlet district in which area he also has salmon cannery interests. Mr. Johnston is now starting upon his forty-ninth year as an active canneryman on the Skeena River. He can easily qualify as the dean of the industry in this part of the country as well as being widely known as one of the most consistently successful operators.
