PATTULLO'S PRONUNCIAMENTO

The announcement made last week that Liberals who run as independents will not be recognized officially by the party but will be opposed at the coming election was a very timely one. In these days of change and indecision it is helpful to hear from a man who knows his own mind and is strong enough to strike from the list of supporters all those who refuse to conform to the wide doctrine of Liberalism.

If a candidate runs as a Liberal he must accept in a general way the Liberal platform as enunciated at the Vancouver convention and must accept the leadership of T. D. Pattullo, who was appointed at that convention. The program was laid down by the delegates from the various districts throughout the province.

Other so-called leaders have not been chosen in that way. They represent nothing in particular except themselves.

GENERAL McRAE'S VIEWS

On Saturday this paper published an interview with General A. D. McRae in which he expressed himself strongly in favor of party government. He said he was not interested in the present election because there were no Conservatives in the field. He is a Conservative and evidently believes in his party and its work.

We admire the General for sticking to his guns. We too believe it is better to have the people lined up into two groups, those who believe in a forward policy, calling themselves Liberals and those who look to the past for guidance instead of looking forward. Those are Conservatives.

At the same time we recognize the perfect right of any other group to enter the field if it wishes to do so. We respect their opinions and aspirations. What we object to is those who, as a matter of expediency, throw over an honored name and try to adopt a new one just for the sake of retaining office or securing election. For such we have nothing but contempt. Why try to hide beneath a name?

District News

SMITHERS

A. S. Grey of Cedarvale, "apple king" of the Upper Skeena, whose farm is one of the agricultural show places of the country, has been a visitor in town during the past few days. Mr. Grey is continuing to suffer from recurrent attacks of malaria and is thinking of disposing of his place and leaving the country for the south.

Olof Hanson M.P. and Austin Goodenough have been on a trip to the Hanson Timber and Lumber Co.'s pole yard at Nash during the past few days.

J. G. Stephens, station agent here, and Mrs. Stephens and family are on a vacation trip to Vancouver. They may also visit the world's fair at Chicago.

Alex Finnie of Stewart and Mobley, Prince Rupert, visited here last week on company business, going on to Vanderhoof on Thursday.

Don Sutherland, district agriculturalist, left here last Thursday for a trip into the Ootsa Lake and Vanderhoof districts on official duties.

Rev. C. A. Hinchliffe, Anglican church rector from Burns Lake, is here to relieve Rev. L. J. Hales, local rector, who is at Lake Kathleen on holiday. Mr. Hinchliffe is accompanied by his wife and family.

NAVY WAS AT STEWART

(Continued from page one)

of the crews detailed for that purpose. The kiddies were treated to candy bars and light refreshments aboard, while many of the mothers were entertained at tea. From four to six the ships' motor boats were kept busy ferrying visitors to the vessels and return. On Thursday evening the ships' concert party staged an impromptu concert at the Canadian Legion Hall, which was soon overcrowded by people who wished to hear and see the sailors in lighter vein. A large program of songs, instrumental numbers and dances was provided, and a special exhibition of sword swinging provided of particular interest. Following this concert the hall was cleared and a smoker was staged for the sailors, under the efficient chairmanship of James Morice, chairman of the Legion's entertainment committee. On Thursday a large party of Petty Officers visited the Premier mine.

Transportation Provided A local committee, splendidly supported by car and truck owners of Stewart and Hyder, provided transportation for all functions and trips.

Besides the entertainments arranged by the various committees many officers and ratings were also entertained privately at the homes of local residents.

All arrangements for the naval visit were co-ordinated through a central committee under the chairmanship of Howard B. Campbell, to whose untiring energy the success of the visit is largely due.

Peter R. Jack, investment banker and insurance broker, of Halifax, N.S., who has just been elected president of Brandram-Henderson Limited, succeeding the late George Henderson. Mr. Jack, who is well known as former chairman of the Halifax Harbor Commission, is a member of an old Halifax family and "has been prominent in business circles for many years."

Splendid Tennis Games Yesterday When Finals Were Played Off at Acropolis Courts, Many Attending

Men's Doubles Not Completed But Greggor and Horton Have Lead Over Mitchell and Tobey Giving Splendid Exhibition of Game

The annual tournament of the Prince Rupert Tennis Club was brought to a successful close with the exception of one event, at the club courts yesterday. Much credit is due Col. McMordie and his tournament committee, of which Miss Laura Frizzell was a hard working member, for bringing the long list of entries down to the finals for Saturday and Sunday in the face of unfavorable weather conditions.

FAST GAME LACROSSE

Plenty of Thrills Throughout and Score Ended in a Three to Three Tie

The box lacrosse game Saturday night was fast, wild and packed full of thrills. After three hectic 20-minute periods of lightning passing, heavy body checking, free club and fist swinging the score stood at three all. Darkness prevented any overtime being played.

The Squamish Stars lived up to their reputations as masters of the stick game but the sterling defensive playing of Doug Stalker and Brick Skinner was outstanding. Stalker's well known rushes down the field had the Alyansh players and supporters jittery, the stick-handling of Simon Baker and Ed Sparrow was dazzling but Alyansh met all this with heavy bodying and slashing which kept the spectators in an uproar. Billy Gray had a hard game to referee but he managed it.

Number Suggest Football Teams To Meet Sailors

On Saturday we published a recommendation of all-star team to meet H. M. S. Dragon football players when the big ship is in port. Several other suggestions have been made today as follows:

Pearce; Currie, Blake, Stiles, Edgcombe, Gilker, Hill, McKay, Dickens, DeJong, Comadina; spares, Thurber, Chenoski.

Smith; Blake, Baptie, Hill, Edgcombe, Gilker, J. Murray, DeJong, Dickens, Chenoski, Norrington.

Stiles; Thurber, Currie; Macdonald, Baptie, Edgcombe; Chenoski, Murray, Dickens, Lokken, Norrington.

The half-back line in this team is chosen with a view towards supporting the forwards as the majority of half-backs simply drive the ball with nothing constructive in view.

TWO GAMES SOFTBALL

First Was Won by Elks 8 to 7 and Second by Grotto 5 to 2

The first softball game yesterday afternoon between Elks and Empress was nip and tuck. Empress took the lead till the Lodgemen overcame it in the fifth inning and went three runs ahead to win a hard fought battle 8 to 7 after the losers fell one run short of tying the score in the ninth.

Errors and faulty base-running on the part of Navy were responsible for their not giving the Grotto a better tussle and thus the latter team went up another notch by taking the game with an easier 5 to 2 win than the score indicates.

GENE SARAZEN IS CHAMPION

Wins Open Golf Trophy at Milwaukee Yesterday, This Being Third Time

MILWAUKEE, Aug. 14.—Gene Sarazen, former British open champion, yesterday won his third United States open golf championship defeating Willie Goggin of San Francisco five up and four to go in the final.

WHAT NEW PLAN MEANS

(Continued from page one)

had fallen from 67 cents to 57 cents per ounce. During the past three years the output of silver in Canada has fallen, until last year it was only 18,000,000 ounces. The demonization of silver commenced after the Franco-Prussian War and has been proceeding steadily. It has probably depreciated about 50% since that date (1873). The present proposal of the World Economic Conference is the withdrawal of some 35,000,000 ounces of silver from the market. This scheme must be rectified by the various governments concerned in the agreement. The success of the scheme rests on the ability of the silver-using countries to exercise their purchasing power.

Vancouver College Will Reopen Soon

Is Conducted by Christian Brothers of Ireland and Devoted to Religion and Science

Vancouver College, which was founded in 1922 in the city of Vancouver is preparing for another successful year devoted to the building of self-respecting and intelligent citizens. Ideally located on ten acres of campus in beautiful Shaughnessy Heights, the college continues to gain added prestige with the passing years. Three buildings furnish ample space and opportunity for the education of at

least 500 students. The residence building, used by the junior students, is known as St. Michael's Hall. McCormack's Hall, which was erected in 1927, affords senior dormitory, bath rooms, and cafeteria facilities. The academic building has several class rooms, library and science laboratories.

The college is conducted by the Christian Brothers of Ireland, whose schools everywhere help to demonstrate the value which Christian education is to the world. Religion and science have ever been combined in their system of education, and the promotion of the students' spiritual life has never been forgotten in the teaching of the soundest literary and scientific knowledge.
