Almost Instant Relief From Neuralgia

For Quick Relief Say ASPIRIN *When You Buy*

Now comes *amazingly quick* relief from headaches, rheumatism, neuritis, neuralgia . . . the *fastest safe relief, it is said, yet discovered.*

Those results are due to a scientific discovery by which an Aspirin Tablet begins to dissolve, or disintegrate, in the amazing space of two seconds after touching moisture. And hence to start "taking hold" of pain a few minutes after taking.

The illustration of the glass, here, tells the story. An Aspirin Tablet starts to disintegrate almost instantly you swallow it. *And thus is ready to go to work almost instantly.*

When you buy, though, be on guard against substitutes. To be sure you get ASPIRIN'S *quick relief*, be sure the name Bayer in the form of a cross is on every tablet of Aspirin.

FUNERAL OF LOCAL GIRL

Large Congregation Pays Final Tribute to Memory of Late Miss Margaret Gilchrist

The passing of one of Prince Rupert's best known and most popular girls was mourned by a congregation which filled St. Andrew's Anglican Cathedral to capacity at 2:30 this afternoon when funeral rites for Miss Margaret Gilchrist, daughter of Mr. and Mrs. William Gilchrist, were held. Miss Gilchrist passed away suddenly last Saturday morning after having been in ill health for some time.

The funeral service was conducted in an impressive and sympathetic manner by Very Rev. James B. Gibson, dean of St. Andrew's. The full choir, under Choirmaster A. J. Lancaster, was in attendance and Peter Lien presided at the organ. Hymns were "Lead, Kindly Light" and "Rock of Ages."

Following the church service, interment was made in Fairview Cemetery, a long concourse following the cortege to the final resting place. Pallbearers, all well known local young men, were Joe Scott, Melvin Dafoe, Jack Musallem, Allan Cross, Philip Edgcumbe and James Westman.

Numerous and beautiful floral tributes testified to the esteem in which deceased was held and to the general sympathy which is felt for the family.
