Ald. Casey, at last night's meeting of the city council, brought in a complaint from H. Mochida at the necessity of the latter having to pay a $3 connection fee annually for a telephone which he had installed each summer at his garden on Eleventh Avenue, the intrument being taken out each winter. It was felt that this fee was excessive. Mayor Stephens felt that any special arrangement which might be made would only open the door for abuse. The matter was referred to the utilities committee for report.
