PROVINCIAL BUDGET MAKES FEW CHANGES IN TAXATION

Jones Budget Provides Increased Income and Reduced Expenditure

Servants, Ministers of Crown and Members of Legislature Will Have Salaries Reduced and Municipalities to be Cut

VICTORIA, March 15:-Not one dollar of new taxation will be imposed on the average taxpayer of British Columbia, said Hon. J. W. Jones in his budget speech today but on personal incomes over \$5,000 a year the government will levy a new graduated surtax progressing from one percent on the first \$2,500 to eighteen percent on incomes in excess of \$50,000. This is in addition to all present levies and is estimated to raise \$350,000.

Succession duties will be raised twenty-five percent, which, with further detailed adjustments, will bring a new revenue of \$315,000.

The school tax on lands outside a school district is reduced from five to two mills.

The government will spend \$22,729,595 in the next fiscal year as against \$24,693,671 in the year now ending, a reduction of \$1,964,078 or a total cut in departmental expenditures in the last two years of \$7,420,518.

Government revenues on estimates with "padding" removed, are fixed at \$20,497,591, but the expenditure total contains a provision of \$2,421,620 to be set aside in sinking funds, thus, while the total revenue and expenditure estimates show a deficit of \$2,232,002, in actual fact there should be no deficit at all, Mr. Jones said.

Grants to municipalities from liquor profits and parimutuel taxes will be eliminated entirely, municipalities thus losing an estimated \$640,000 in the next fiscal year. In addition, Mr. Jones warned municipalities he probably would have to throw more and more of the burden of unemployment on them, and on private charity.

Public servants will be asked to take further salary reductions, ranging from four to twenty percent.

Ministers' salaries, originally \$7,500, will now be \$6,000. Members' indemnities, formerly \$2,000 and already cut to \$1,800, will be reduced to \$1,600. This will take effect next

Virtually no new construction work of any kind, either in roads or buildings will be undertaken this year. Road maintenance will be cut to a minimum.

Ferry is Expected to Be Operated Between Rupert and Ketchikan

J. E. Berg Has Conference With C.N.R. Heads and Thinks Outcome Will be Car Ferry Connecting Them With Rail Head Here

KETCHIKAN, March 15:- "In my opinion Ketchikan will be operating a car ferry to Prince Rupert by next spring," said J. E. Berg, manager of the Marlyn Fish Company and president of the First National Bank of Ketchikan to the Ketchikan Chronicle. He bases his opinion on a conference he held with four officials of the Canadian National Railway in Montreal.

"The Marlyn Fish Company," he added, "has made arrangements to increase its output the present year. DIVIDED ON The Petersburg and Sitka stations will be maintained as usual."

Mr. Berg said that all of the industries with which he was connected, the Berg Packing Company and the sawmill at Charcoal Point, would be operated the present year. For the Berg Packing Company, Both Parties Were Split When material already has been arranged for to put up at least 40,000 cases of canned salmon, and as much more as necessary will be added.
