#### DEFINITE PLAN OF ACTION

The policy enunciated by T. D. Pattullo in his nomination acceptance speech indicated that he was evolving a definite plan of action to take the place of the present pol- Baseball Standings icy of drift. Also he favors a non-partizan policy which is likely to prove very practical. His will be a government of action. War will be made upon poverty. Industry will be New York encouraged.

What Mr. Pattullo did not say was that in carrying out cleveland his policy of providing work at fair wages for the unem- Washington ployed, the whole of the province will benefit. Working- Detroit men will have money to spend and merchants will be able Philadelphia to sell their goods. As he once said when visiting here on a former occasion: "The purchasing power must be placed once more in the hands of the people."

As long as we continue to cut down expenditures, to grind down the workers, to refuse to spend a dollar, conditions will get worse instead of better. Let the governments show the way and industry will take the cue here as is being done in the United States, and there will be an immediate improvement.

# Basketball Buzz

With the locals playing the pick of the Intermediate teams here and Smithers flooring a big rangy group of players, the opening game of the Smithers-Prince Rupert High School boys' basketball series got under way Wednesday night. The Rupert boys, with flashy combination and speed, got away to a wonderful start and played circles around the visitors for the first ten minutes after which the score stood 15-3. The Smithers boys then got the hang of the basket and, with long shots, slowly crept up on the locals so that, at half time, the checking game and the referee had score stood 16-13 in favor of Rupert. to blow personals on both teams to

With a few changes in the lineups of both teams, the second half Comets were the first to break the started with both teams playing tie and, for a greater part of the fast, hard ball, no team having the last half, had to be satisfied with a decided edge on the other. Then the game started in earnest, both teams playing fast-charging ball and trying to obtain the slight margin. Morrison, playing a wonderful game for Rupert, broke loose in the last few minutes to give the locals the desired edge that they held until the final whistle blew.

Right from the opening whistle in Wednesday night's girls' game, it was apparent that the local Comets would have to be in top form to beat the visiting team. The Comets snared a slight lead of four points in the opening quarter of the game but the Smithers team retaliated as soon as they got their eye on the basket and, in the second quarter, there was not much to! choose between either team and the score at half time stood at a 7-7 deadlock.

With renewed energy, the girls started off the second half with a bang. Rupert was playing a heavy-

Comets Repeat Victory-Boys' Band in Attendance

In the Exhibition Hall last night Smithers High School boys defeated Prince Rupert High School in a fast and furious game by a score of 25 to 23. A second half rally was

The first half started with a rush with the local boys dominating the play throughout in every department of the game. The Smitherites could not get going and the score at the rest period was 19-7 for Ru-

However, this overwhelming score did not daunt the spirit of the visitors. Smithers, eager for victory, worked hard to wipe off the first half disadvantage. They were successful in scoring baskets in the dying moments which tied the game up and then carried them to a 25-23 victory.

Lewis of Smithers played a bangup game for the visitors while Gilis and Wingham were best for Ru-

#### Girls' Game

The girls played a fast and interesting game to a 15-11 score in favor of Prince Rupert. Play was even throughout the game and only a last minute spurt saved the Comets from defeat. Score at half time was 8-8.

In the last quarter Lowe broke away to salt the game away. Lowe and Irvine were the pick of the local Comet team while Monks played a stellar game as forward for Smi-
