# RUOSEVELT PROGRAM GETS STARTED

## ONE HUNDRED MEN TO WORK ON USK MINING PROPERTY

## Extensive Program of Development and Mill Construction Planned

As Soon as Snow is Sufficiently Gone, Fifty to Sixty Men Will be Employed, Force to be Increased in Summer, Capt. John Willman Announces

As soon as snow is sufficiently gone to permit of supplies being packed up to this well known property, the Columario Consolidated Gold Mines Limited will institute a season's development program on its mine near Usk which, before the summer is passed, will involve the employment of some one hundred men, it is announced by #John Willman, manager of the

property, who is a visitor in the city

today on business. In about a

month's time it is expected that

conditions will permit of actual

mine development work, which will
