Man in the Moon

If a woman has no fault to find with her husband, he is dead.

Ananias won a reputation where there was little competition. If he had lived in Prince Rupert now he'd never have had his name handed down to posterity.

Some women make fools of men and others just show to the world what fools most of these men are.

Did you ever hear of the woman who named her husband "Twinkle Little Star." She did it because she said she was always wondering where he was.

Blood Test Led Run-Down Girl to A Sure Remedy

Saying that she lacked pep and didn't feel like working, a pale young office-worker recently had her blood tested by a reputable physician. This test indicated an anaemic condition, as the haemoglobin content of the girl's blood was only 60%, instead of 90% to 95% which is normal for a woman, and her red blood corpuscles count was only 3,700,000, instead of a normal count of 4,800,000.

The physician explained that the red corpuscles carry throughout the blood stream the haemoglobin, which conveys the life-giving oxygen from the lungs and nutriment from the digestive organs to every cell in the body, thereby building tissues and clearing the system of poisons. Hence the health can be normal only if the haemoglobin and red corpuscles are.

To increase the haemoglobin and red corpuscles, the physician prescribed Dr. Williams' Pink Pills. After a month's treatment the young woman returned for a second blood test. This test showed a remarkable improvement in her blood stream—she felt full of energy and vigor.

Ten other run-down people, blood-tested at the same time, had similar experiences. The physician's records of these cases furnish absolute proof that Dr. Williams' Pink Pills are remarkably efficient in revitalizing impoverished blood streams. They will do that for you. Try them. 50 cents at drug stores.

HIGH WINS OVER BOOTH

Junior Football Game on Saturday Resulted in Score of 6 to 1

	W.	D.	L.	R.	A.	P.
High	2	0	0	8	1	4
Borden	1	0	1	1	2	2
Booth	0	0	2	1	7	0

Kind Edward High School scored a decisive win over Booth Memorial School in the regular Junior Football League game on Saturday by six goals to one. The game was more evenly contested than the score would indicate, Booth forwards missing two open goals and also finding Blake a very safe goalie and hard to beat. Houston, McGreish, Bob Ritchie, Irvine and Lear also played well for High with Krause, Eastman, Jack Ritchie, Cameron, McKay and Husoy showing to advantage for Booth.

From the start High found it easy to get through the Booth defence and Houston scored a fine goal to be followed by a simple shot from McGreish that Krause misjudged. Blake saved splendidly when Cameron shot after Husoy and McKay had combined nicely. McMeekin added a third for High and Houston a fourth. Booth attacked and Blake did well to stop Husoy's drive and a moment later saved well from Cameron.

With the wind in their favor Booth did better in the second half and forced two corners but the ball was cleared. Then Houston scored a fifth for High. Krause did well to stop Irvine's good shot. At last Cameron had his reward when he beat Blake from close in. McMeekin added a sixth for High. Husoy missed an open goal but a moment later tested Blake to the utmost. Finley shot over and then Cameron hit the upright with an open goal awaiting him. Play continued keen until the end.

High—Blake; Bob Ritchie, Unwin; Lear, McMeekin, Anslow; McGreish, Grimble, Houston, Yamanaka, Irvine.

Booth—Krause; Dennis, Eastman; Manson, Jack Ritchie, Clausen; Husoy, McKay, Cameron, Croxford, Finley.

Referee, Floyd Eby; linesmen, Houston, A. Davey.

STRIBLING LOSES LEG

Former Heavyweight Boxer Suffers Serious Injuries in Traffic Crash on Sunday

MACON, Ga., Oct. 2 (CP)—Struck by an automobile while riding a motorcycle near here Sunday, W. L. (Young) Stribling, former famous heavyweight boxer, had his left foot so badly crushed that amputation was necessary below the ankle. He also suffered a fractured hip and a possible crushed pelvis and alarm was felt last night that he might not recover from the shock.

Stribling is in the same hospital as his wife who gave birth to a child over a week ago. Mrs. Stribling sat up for the first time yesterday since her confinement but, after receiving the news of her husband's accident, was prostrated again.

Stribling had stopped on the road to talk with friends when the accident occurred.

It is estimated that a golfer's average for a hole-in-one is one in every 20,000 tries.
