**MARKETING IN PRINCE RUPERT**

Orderly marketing of garden products has been carried on at Terrace for the past two seasons by individual growers but no success has so far been made of any general co-operative marketing scheme. It is a scheme of that kind which Commissioner Alder is trying to bring about.

What is desired is a scheme which will insure to the grower a reasonable price for what he grows, a ready market and which also will tend to bring about a steady increase in the amount of vegetables, fruit, poultry and eggs shipped from interior points to the Prince Rupert market.

It does not necessarily mean the opening of a retail store but is more likely to mean the appointment of a broker here to represent the growers. He may be a broker already in business at this point, he may be a farmer from the interior or he may be a local man not now in the business. Almost everything depends upon the growers making the right appointment. It is quite possible they may like to appoint a man who is already in business here. That will be up to them. We take it that Prince Rupert people will co-operate no matter what they decide on.

**NOTHING BUT CONFERENCES**

This is an age of conferences. The latest proposal is by Hon. W. H. Dennies, provincial minister of labor, for a conference to discuss national unemployment and state health insurance, minimum wages and other matters of interest to him and the working people of the country.

We believe in conferences as a means of education but not as a means of getting things done. Usually they are an excuse for putting off. What is needed now more than a conference is the appointment of a strong man with a good majority in the Legislature who knows how to do things. In the past the member for Prince Rupert was largely instrumental in putting through mothers' pensions, minimum wage and workmen's compensation laws. This was done without the appointment of any commissions or holding of advertised conferences. If the same man gets a chance he will put the unemployed to work and pay them wages instead of a dole. That will bring better times for everyone.

**LOCAL NEWS**

Samuel Massy, superintendent of the city telephone department, sailed last night on the Princess Adelaide for a trip to Vancouver.

Peter Fisher, son of Judge and Mrs. W. E. Fisher, sailed last night on the Princess Adelaide for Vancouver where he will attend school.

Mrs. Ruthana Wood, niece of Mr. and Mrs. C. E. Starr, returned to the city on the Princess Adelaide yesterday afternoon after spending the summer vacation in Seattle.

Mrs. A. O. Aves and sons, who have been spending the summer vacation visiting in Vancouver and Victoria, returned to the city from the south on the Princess Adelaide yesterday afternoon.

Guests of the Prince Rupert Rotary Club Thursday afternoon included Judge F. McB. Young, Capt. J. S. Wilson, Archie Thompson, Harry McLeod, Ted Kergin of Anyox and Inspector John Shirass of the provincial police.

Thursday night's train, arriving on time at 8 o'clock from the east, brought in quite a number of natives from Skeena River cannyery points who will spend a few days in town following the closing down of the season's operations at some of the fish packing plants.

A letter from the Kelowna Board of Trade asking the Prince Rupert Chamber of Commerce to aid in marketing local wines last night brought from President T. H. Johnson the intimation that an advertisement in the local papers would have been the more effective method to have taken. The letter was filed.

**MORGAN REPLIES**

Sport Editor, Daily News:—

In reply to the letter which appeared in your paper yesterday regarding my opinion of Nina Gurvich, I must admit to the gentleman who signs himself B. J. B. that there is something in what he says regarding the defeats which Nina has had at the hands of both Bagshaw and Windle and it is, as he says, only right that Nina should wipe out those defeats. So to make things hum a little and also in fairness to "Fairplay" and the good of the sport, I am prepared to match Nina with either Bagshaw or Windle. I am also prepared to match him with anyone his poundage in the north. So if B. J. B. thinks these boys can repeat the performance of a year or so ago, with Nina, well here's their chance. I am prepared to promote the bout and can assure the fans of a good and clean show. Thanking you, Mr. Editor.  
T. O. MORGAN.
