Get Rid of That

SORE THROAT!

Any little soreness in the throat grows rapidly worse if neglected. Crush some tablets of Aspirin in some water, and gargle at once. This gives you instant relief, and reduces danger from infection. One good gargle and you can feel safe. If all soreness is not gone promptly, repeat. There's usually a cold with the sore throat, so take two tablets to throw off your cold, headache, stiffness or other cold symptoms. Aspirin relieves neuralgia, neuritis, too. Use it freely; it does not hurt the heart.

The BEST way to stop CONSTIPATION

Nothing like Fruit-a-tives

"I was a very bad way with constipation. My stomach was off-colour and I kept having headache after headache. Quite frequently I had severe pains in my joints and muscles. The general effect was very depressing. Indeed, I felt so wretched that I was about to give up work. Today my health is excellent and I certainly feel that 'Fruit-a-tives' played a large part in bringing this about. They toned up my entire system."

There were no fish arrivals this morning and consequently no sale at the exchange today.

A letter was received last night by the Chamber of Commerce from Postmaster Morrison stating that although it was unusual to do so, he had arranged to change the hours of collecting mail at the various boxes in the city to conform with the time of outgoing mail. At the meeting of the Chamber of Commerce last night T. H. Johnson said he would be away for two or three months with Mrs. Johnson in England visiting his old father and Mrs. Johnson's parents who were also old. If he could do anything for the Chamber or for the city while away he would be at their service. John Dybhavn, vice-president, on behalf of the chamber wished both the President and Mrs. Johnson a pleasant trip.

The Letter Box

MORE GOOD WILL

Editor, Daily News:

Miss Way's letter in yesterday's paper was noteworthy not only for the good proposition it advocated but also for the spirit of goodwill and friendship it showed.

I am sure that if all of us, in every walk of life, would try to realize some of the problems and difficulties which confront our fellowmen and show a little toleration and good-will towards each other then this unrest and this feeling of insecurity, which is so prevalent all over the world at present, would soon disappear and we all would gain more joy and contentment in life.

I may add, Mr. Editor, that I know of many of the unemployed sharing their last dime with their comrades.

Yours very truly,
C. H. YTREBERG

Miss Dorothy Patmore came in last night from Oona River where she is teaching school, to spend the week-end at her home.
