dant in Damage Suit Alleging Seduction

18-Year Old Girl

"Not a Word of Truth in it," Government Leader Declares

EDMONTON, Sept. 23: (CP) --Statement of claim was filed in Su preme Court here yesterday askin, unstated damages from Premier J. E. Brownlee of Alberta for alleged Old Country Soccer seduction of Vivian MacMillan, daughter of Former Mayor Allan MacMillan of Edson, Alta. The statement alleges that offences took place starting in 1930 when the girl was said to be eighteen years old. An order permitting service of claim on Premier Brownlee in Ottawa was made.

Premier Brownlee, over long distance telephone from Ottawa, where he has been attending as a member of the MacMillan royal commission on banking, said:

"While one regrets to have to face. a case of this kind, it will enable me to come to grips with rumors, which have been spread for some weeks. There is not a word of truth in the allegations."

DON FINN IS MOVED

Director of Fisheries Station to Take Charge in Halifax Following Trip to England

Pending receipt of official confirmation, it is reported in authorirector of the Prince Rupert Fisheries Experimental Station, will be transferred in the near future to Halifax to become director of the station there of the Biological Board of Canada, Mr. Finn will bo leaving Prince Rupert in December to spend three months at Cambridge University in England and the transfer will, it is understood. take effect upon his return from the Old Country next spring.

Mr. Finn founded the work of the Prince Rupert Fisheries Experimental Station in 1926 and, except for a year or so he spent in charge of the research department of the British Columbia Packers, he has been continuously in charge of the work at Prince Rupert since. When he came here first, there were neither staff, buildings, plant or equipment. Under his direction the work expanded until today it covers KETCHIKAN, Sept. 23: (CP)- many phases of fisheries research, The Bureau of Fishcries vessel Penoccupies two large buildings with guin yesterday struck and stove in splendidly equipped and appointed the side of the halibut boat Tuscan laboratories and engages the attention of a considerable staff of expert workers.

The Tuscan is well known in Mr. Finn's departure from Prince Prince Rupert and frequently lands, Rupert will be a matter of general regret. The move, however, will be in the nature of a distinct promotion in the service and, on that account, he will be the recipient of THEATRE IS count, he will be the recipient of general congratulations.

> There is no word as to who will be Mr. Finn's permanent successor.

Halibut Fishing on Pacific To Cease on October 26 With Closing Down of Area No. 3

Halibut fishing on the Pacific Coast for the 1933 season will come to a close on October 26 at midnight as a result of an order by the International Fisheries Commission, notice of which was received in Prince Rupert today, closing fishing in Area No. 3 on that date. By that time, it is expected that the quota limit for the season set for that area will have been reached.

On August 25, fishing was stopped in the closer Area No. 2, owing to the quota for the year having been reached. Since that time, the larger vessels of the Pacific Coast fleet have been operating in Area No. 3.
