BEHIND each package of Kellogg's Corn Flakes are the modern plants of the Kellogg Company at London, Ont., clean, sunlit, sanitary. Behind it is an organization, thousands strong, of loyal, efficient workers. Behind it is the personal guarantee of W. K. Kellogg: "You must be satisfied with every package of Kellogg's Corn Flakes. If you do not think they are more delicious, crisper, fresher - mail the empty package to us and get your money back."

These are policies — these are assurances of quality and value - that have taken 25 years to build. Whenever you are offered a substitute for genuine Kellogg's, it is seldom in the spirit of service. Insist on the red-and-green package.

Kellogg's are definitely guaranteed the freshest corn flakes you can buy. They are protected by a completely sealed inside WAXTITE bag. It's a patented Kellogg feature.

The Letter Box

STRIKERS PROTEST

Editor, Daily News:-

Having read the letters in the February 17 and 18 issues of your paper, we think it necessary as representatives of the Anyox Strike Committee to voice our feelings regarding this matter, and the feelings of all strikers now in Prince Rupert. It is quite evident that the party or agency responsible for such misrepresentation of actual facts had a more morbid motive than is seen on the deceiving surface—that of trying to grossly misrepresent the sentiments and purposes of the meetings in the Moose Hall on the said night, and to turn the sympathy of the Prince Rupert citizens against the Anyox strikers by vainly endeavoring to show that hey were communistic in their sentiments or ideas. We think it indeed a tyrannical injustice, and a gross intimidation of the purposes of the meeting.

The name "Ivanovich" makes it appear Russian and suggests communism, and purports to be in sympathy with the average worker. But to the average intelligent reader it is quite evident that the purpose of the letter was to influence the citizens of Prince Rupert that the city was rife with communism. The strikers of Anyov are well aware of Constitution. the fact that this letter was inserted by some party or agency not to all others that as long as we live for vancouverpromote their cause in their present there shall be no red flag replace Tuesday-Catala labor dispute, but the direct reverse. The singing of "The Rec Flag" heard by the party stamps fallen comrades, those who still the letter as spurious, as there was no such occurrence.

This letter is written to let. Mr Ivanovich know that we fully understand his tactics, and to present that the country for which they to the citizens of Prince Rupert our died and suffered will be worthy attitude and purpose.

K. MONTGOMERY. Acting Secretary, Anyox Strike Committee.
