Intermediate Hoop Play-Off

A fair sized crowd of hoop fans were present at the Moose Hall to see the play-off games in the Senior and Intermediate Leagues, the C. N. R. A. winning the former by the margin of a single point over the Grotto while one point also gave the Warriors victory over High School in the Intermediate.

In an exhibition game the Scouts lost to the Scythians 21-16.

The warriors-High School tussle will go down in the books as one of the best intermediate games played this season. It was anybody's game uxtil the last four minutes when Lindsay and Christison sank two baskets to cinch the game for their team. The High School took an early lead at the start of the first half and held it all the way; through but its scoring aces were not on last night, otherwise it may have been a different story. Although the Warriors played a defensive game they sneaked in the odd basket so as not to let the Students get too big a lead. Half time score was 12 to 9 for High School.

In the second half both teams went to work to try and win the game. The game became faster and exciting and was anybody's until Lindsay of the junior Trojans and Christison sank two baskets.
