DEATH OF WM. BELL

(Continued from page one)

Henry Chapman were occupying another cabin. At about 4:40 p.m. Mathieson noticed Bell's gasboat adrift in the bay and heading towards the beach. He and Chapman ran down to the shore to make an effort to hold the gasboat off the beach. Meanwhile Bell's attention was attracted and he came out in his rowboat and eventually got the gasboat started up and took it back to its moorings, Chapman and Mathieson returning to their cabin while Bell took again to his rowboat to round the point to the cabin.

Shortly after Mathieson noticed Bell's rowboat, seemingly unoccupied, drifting towards the shore. The attention of George Bell was attracted and he shouted that there seemed to be a raincoat in the rowboat. The smaller boat was soon driven ashore by the wind and the elder Bell's body was then seen partly overside, the feet being in the boat and the head in the water. For half an hour or so, artificial respiration methods were employed but to no avail.

The police being notified, Provincial Constable Robert Gibson crossed the harbor and took the body in charge at 9 o'clock last night, bringing it into the city. An inquiry was held this morning by Coroner Norman A. Watt, it being evident that death was due to heart failure resulting, it is presumed, from exertion and excitement. Deceased had been known to have suffered for some time from a weak heart for which he had received medical treatment.

Mr. Bell had resided in Prince Rupert for many years, was very well known here and had numerous friends. He is survived by a widow who resides in the United States and two sons, George Albert Lyman Bell here and Harold Percival Bell in Ketchikan. Deceased was a native of Peterborough, Ont.

Funeral arrangements are in the hands of the B. C. Undertakers.

IT'S LIVER THAT MAKES YOU FEEL SO WRETCHED

Wake up your Liver Bile —No Calomel necessary

For you to feel healthy and happy, your liver must pour two pounds of liquid bile into your bowels every day. Without that bile, trouble starts! Poor digestion. Slow elimination. Poisons in the body. General wretchedness.

How can you expect to clear up a situation like this completely with mere bowel-moving salts, oil, mineral water, laxative candy or chewing gum, or roughage? They don't wake up your liver.

You need Carter's Little Liver Pills. Purely vegetable. Safe. Quick and sure results. Ask for them by name. Refuse substitutes. 25c. at all druggists. 54
